## Chemistry

Chemistry Department Chair: Sara Harvey.

Phone: 712-2618. Office: CFS 91041. E-mail: [HarveySM@piercecollege.edu](mailto:HarveySM@piercecollege.edu).

Faculty Advisor: Sara Harvey.

English Proficiency Recommendation

It is recommended that students whose native language is other than English be enrolled in ESL 87 before enrolling in Chemistry Laboratory courses. Chemistry courses require good reading and writing skills. It is recommended that students be enrolled in or eligible for English 28 or higher before enrolling in any chemistry course.

### CHEM 051-FUNDAMENTALS OF CHEMISTRY I (UC/CSU) - 5 UNITS

**MEETS IGETC 5A 5C CSU B1 B3**

**Prerequisite:** Mathematics 115 with a grade of "C" or better. For courses completed outside of the LACCD, proof of eligibility must be taken to Counseling.

Recommendation: Eligibility for English 28.

A basic introduction to the principles of chemistry with emphasis on those important for Nursing, Home Economics, Veterinary Technology, and Allied Health Sciences.

**CS 116-PROGRAMMING IN C++ (UC/CSU) - 3 UNITS**

Formerly CO SCI 575. This course introduces the discipline of computer science using a high-level programming language such as C++ and utilizing programming and practical hands-on problem solving.

Students learn the fundamental concepts of programming by applying lecture content to practical hands-on problem-solving laboratory activities. Students design, implement, test, and debug computer programs using top-down, structured programming techniques. Students examine program planning techniques, expressions, selection, repetition, arrays, data structures, functions, parameter passing, and file and interactive input/output. Intended as a first course in computer science. This course is required for computer information systems and computer science majors, and is desirable for students wishing to study programming.

## English

English Department Chair: Brad Saenz.

Phone: 710-3355. Office: FO 2200.

Faculty Advisor: Brad Saenz.

In keeping with AB 705, students who have graduated from a US High School within the last 10 years are eligible to enroll in English 101 automatically. The college makes the following recommendations based on high school GPA:

GPA greater than 2.6 -- English 101

GPA between 1.9 and 2.6 -- English 101 and are recommended to enroll in English 72, a support course

GPA less than 1.9 -- English 101 and are highly recommended to enroll in English 72, a support course

Students who are not able to provide enough information for automated placement, who have been away from high school for more than 10 years, or did not attend or graduate from a US high school or earn a GED or CA High School Proficiency certificate, may use the Guided Self-placement process. This will likely involve meeting with a counselor or other college officer to discuss topics such as the following in order for the student to place him/herself:

-Courses taken and grades received

-The transfer-level English and math courses offered at the student's home college, and which of them (if any) are required for the student's chosen major, general education plan, or transfer plan

-The support courses and services offered to students enrolled in transfer-level courses

-Students' rights under the AB 705 law

The Guided Self-placement process cannot require the student to take any exam or test, solve any problems, provide any writing samples, or review any sample questions, problems, or prompts.

## ENGLISH 101-COLLEGE READING AND COMPOSITION I (UC/CSU) - 3 UNITS

## Mathematics

Mathematics Department Chair: Eddie Tchertchian.

Phone: (818) 710-2185. Office: MATH 1409-E.

Faculty Advisors: Eddie Tchertchian, Mitchell Pumar.

Information regarding special Math student success programs and pathways may be found at Math Success Program website.

Some sections require Internet access for homework.

Information regarding specific course needs may be found on the instructor's web page.

In keeping with AB 705, students who have graduated from a US High School within the last 10 years are eligible to enroll in transfer level math, specifically Math 227. However, students in STEM or business majors, may need a prerequisite course. The college makes the following recommendations based on high school GPA or high school course information:

GPA greater than or equal to 2.3 - Math 227

GPA less than 2.3 - Math 227. Students are highly recommended to enroll in Math 228A followed by Math 228B, a two-semester statistics sequence.

Class #	Component	Time	Days	Instructor	Room
---------	-----------	------	------	------------	------

Students may enroll in the following depending on their grade in High School Intermediate Algebra or Integrated Math 3 (or equivalent or higher):

- A grade of B or better - Math 215, 238, or 240
- A grade less than a B - Math 134, a prerequisite course

Students who are not able to provide enough information for automated placement, who have been away from high school for more than 10 years, or did not attend or graduate from a US high school or earn a GED or CA High School Proficiency certificate, may use the Guided Self-placement process. This will likely involve meeting with a counselor or other college officer to discuss topics such as the following in order for the student to place him/herself:

- Courses taken and grades received
- The transfer-level English and math courses offered at the student's home college, and which of them (if any) are required for the student's chosen major, general education plan, or transfer plan
- The support courses and services offered to students enrolled in transfer-level courses
- Students' rights under the AB 705 law

The Guided Self-placement process cannot require the student to take any exam or test, solve any problems, provide any writing samples, or review any sample questions, problems, or prompts.

**MATH 227-STATISTICS (UC/CSU) - 4 UNITS**

**MEETS IGETC 2A CSU B4**

**Prerequisite:** Completion of intermediate algebra or its equivalent. For courses completed outside of the LACCD, proof of eligibility must be taken to Counseling.

Note: If you are not currently eligible for Math 227, note that there is an alternate pathway to Math 227 other than the Algebra sequence (for information see [www.piercecollege.edu/departments/mathematics/statway.asp](http://www.piercecollege.edu/departments/mathematics/statway.asp)).

Note: A TI-83 or TI-84 graphing calculator is highly recommended for all sections of this course.

## Photography

Media Arts Department Chair: Jill Connelly.

Phone: 710-4235. Office: Village 8100. E-mail: [ConnelJP@piercecollege.edu](mailto:ConnelJP@piercecollege.edu).

Faculty Advisor: Jill Connelly.

All photography classes, except 27A and 27B, require students to provide their own DSLR or Digital Mirrorless Camera. Whichever camera you choose must have manual control of aperture, shutter speed and focus. All photo classes at Pierce have laboratory requirements in VLGE 8210. The lab will have day and evening hours on weekdays. The exact hours will be posted. All lab classes have lab fees (except Photo 9 and Photo 27).

Questions? Please Email or call our photo staff: Jill Connelly ([ConnelJP@piercecollege.edu](mailto:ConnelJP@piercecollege.edu)) (818) 710-4235.

## Statistics

Psychology Department Chair: Maria Perser.

Phone: (818) 710-2891. Office: BEH 1306C.

Email: [PerserMO@piercecollege.edu](mailto:PerserMO@piercecollege.edu).

Faculty Advisor: Maria Perser. Phone: (818) 710-2891.

In keeping with AB 705, students who have graduated from a US High School within the last 10 years are eligible to enroll in Stat 101 automatically.

Students who are not able to provide enough information for automated placement, who have been away from high school for more than 10 years, or did not attend or graduate from a US high school or earn a GED or CA High School Proficiency certificate, may use the Guided Self-placement process. This will likely involve meeting with a counselor or other college officer to discuss topics such as the following in order for the student to place him/herself:

-Courses taken and grades received

-The transfer-level English and math courses offered at the student's home college, and which of them (if any) are required for the student's chosen major, general education plan, or transfer plan

-The support courses and services offered to students enrolled in transfer-level courses

-Students' rights under the AB 705 law

The Guided Self-placement process cannot require the student to take any exam or test, solve any problems, provide any writing samples, or review any sample questions, problems, or prompts.

### STAT 101-STATISTICS FOR THE SOCIAL SCIENCES (UC/CSU) - 4 UNITS

#### MEETS IGETC 2A CSU B4

**Prerequisite:** Completion of intermediate algebra or its equivalent. For courses completed outside of the LACCD, proof of eligibility must be taken to Counseling.
