

2022 Income Eligibility Guidelines for Family PACT Program

April 22, 2022

Effective for dates of service on or after April 1, 2022, Family Planning Access, Care and Treatment (Family PACT) Program providers are to use the following income eligibility guidelines when determining client eligibility for Family PACT services. Providers should disregard all previous Family PACT income eligibility guidelines charts.

**Federal Income Guidelines
200 Percent of Poverty by Family Size
Effective April 1, 2022**

Number of Persons in family/household	Monthly Income (In dollars)	Annual Income (In dollars)
1	2,265	27,180
2	3,052	36,620
3	3,838	46,060
4	4,625	55,500
5	5,412	64,940
6	6,198	74,380
7	6,985	83,820
8	7,772	93,260
For each additional person, add:	787	9,440

These changes will be reflected in the provider manual in an upcoming *Medi-Cal Update*.
