 - Transfer degree for which you are requesting verification.
 - Approximate date your Graduation Petition was submitted.

Fall 2020 & Prior Graduates:

Please log onto your student portal by going to www.mycollege.laccd.edu and check your unofficial transcript to verify if your degree has been awarded. In addition, an email should have been sent to your [LACCD student email](#) confirming the awarding of your degree.

If your degree appears on your unofficial transcript, you may request to have an official transcript sent to your university. You can find more information on how to order transcripts, by going to [Admissions & Records Transcripts & Grades](#).

5. What is the status of my Graduation Petition?

We are unable to perform "status" checks as ALL petitions are pending final review. Although the Los Angeles Pierce College Graduation Office is closed to in-person services, evaluators are virtually processing graduation petitions to ensure degrees are conferred. Due to the limited access to resources, we project processing times to be longer than usual. Once your petition has been evaluated and processed, you will receive an email. Please check your [LACCD student email](#) regularly.

6. I haven't received any emails about my Graduation Petition. Do you have it?

If you submitted your hard-copy Graduation Petition in-person to the Graduation Office, then we have your petition. We do not email students until after we have completed the evaluation.

If your Graduation Petition was submitted by a counselor electronically, then we have your petition. You should have received an email to your [LACCD student email](#) confirming receipt of your petition.

Please check your [LACCD student email](#) regularly as we will be emailing students upon completion of the evaluation.

7. I need to have my degree expedited for employment purposes. Is this possible?

We can only expedite petitions if we have written proof of a deadline or a letter from an employer, college, or university. Please send your written request to piercegraduation@piercecollege.edu. Be sure to include proper documentation. There is no guarantee that we will be able to expedite the petition given the current campus closure; however, we will do our best to meet the deadlines.
