1. Completed petitions are accepted in the Admissions & Records Office, Student Services Building, room 48110, during the week before the semester begins and for the first two weeks of the semester.
2. Return in 48 hours to receive your response.
3. If your petition is approved, you may add the extra class(es) by obtaining an Add Permit from the instructor. You will have no special priority for adding. Students on waiting lists will have priority over you.
