

The Center for Academic Success

Language Arts Computer Lab Village 8407

Come to Village 8407, and use the computer lab and/or work with the instructor to improve your reading, writing, English language, and study skills.

- Bring in your writing assignments and textbooks to apply these skills to your own work! Or,
- Use our PowerPoint lessons, interactive exercises and online quizzes to make gains in grammar and writing skills; Or,
- Use **Reading Plus**, a program that assesses your reading level and allows you to increase reading speed, strengthen comprehension, and build vocabulary.
- PowerPoint presentations on **Note-taking** and **Textbook** reading are also available.

Fall 2011 Lab Hours

Tuesdays: 2:30-3:30 pm

Wednesday: 2:30-3:30 pm

Evening hours:

9/26/11 6:00-8:00

This lab is hosted by Pierce College Reading Specialist, Lori Nelson. Ms. Nelson holds both a Bachelor's and a Master's degree in English as well as a certification in Post-Secondary Reading Instruction.
