- **IMPORTANT LABORATORY POLICIES-PLEASE READ!**
- **LAB ATTENDANCE: All students are required to complete and turn in the orientation exercise by Friday, September 1st, 2017.**
- Students are to complete one 3-hour lab each week. If you miss more than two labs, your instructor may drop you. It is your responsibility to drop the course if you stop attending.
- The Biology 3 laboratory can be very busy at times. It is highly recommended that you do your lab as early in the week as possible. Please note that Thursdays are usually very crowded and can result in a long wait time before you actually get into the lab. **Both labs will open at 9:30 a.m. on Tuesdays, Wednesdays and Thursdays, so please arrange your lab time accordingly.**
- You will need your Pierce College Student Identification Number to log in.
- **You must have standard headphones to use in the lab. Only headphones should be plugged into the biology computers. No cell phones or other electronic devices may be charged/plugged into the lab equipment.**
- *Record your time as you leave the lab.* If you forget to log out, you will **not** receive credit.
- Students are expected to follow the posted lab policies.
- While logged into the lab, you must be involved with Biology course work. Any student not doing Biology work will be logged off. Each lab must be completed in the week assigned; you may not work ahead or go back to previous labs.
