**PACE General Studies Transfer Option**

This option is designed for students to complete the general education requirements of the California State University Certified General Education Plan. This option allows you the most choices for transfer. When you complete this option, you will have met the lower division general education requirements for most CSU and some private colleges and universities. However, completing this program does not necessarily meet the preparation for certain majors. Most majors require additional courses not offered in PACE. Consult with an advisor for details. The PACE General Transfer Option also meets the requirements for an Associate of Arts Degree (with an emphasis in Social and Behavioral Sciences).

### Fall 2013

- **Humanities 31**  
  People in Contemporary Society (GE) (UC:CSU)
- **History 1**  
  Introduction to Western Civilization 1 (GE) (UC:CSU)
