Intersegmental General Education Transfer Curriculum
 Governed by IGETC Standards: www.ccctransfer.org/igetc

Warning: Many students attend multiple California Community College campuses. Be sure to follow the IGETC at each college of attendance. IGETC policy states that IGETC coursework completed in a specific subject area will be used in the area designated by the California Community College at which the course was completed. This is also the policy if you complete courses at more than one of the LACCD campuses. You must follow the IGETC of each campus you attend.

Disclaimer: Dates in parentheses indicate the GE area applicability effective date. Every effort has been made to ensure the information below is accurate and timely. However, this information is unofficial and should be checked against the official information found on the ASSIST website at www.assist.org.

The IGETC Plan totals 34-37 UC/CSU transferable semester units. A minimum of 60 UC/CSU transferable semester units are required for transfer. You will need to complete additional coursework in your major and maybe some elective courses. Please see a counselor to develop an Education Plan so you can reach your goals.

A course must be a minimum of 3 semester/4 quarter units to meet the requirements for IGETC (except Area 5C).

A minimum "C" grade is required in each college course for IGETC. A "C" is defined as a minimum 2.0 grade points on a 4.0 scale.
