Dear Parents,

We are thrilled that you encourage your child to join the Honors Transfer Program at Pierce College. Our website is designed to answer your general questions about the program. We highly encourage our "honors students" to take an active role in their educational planning and goals. Please keep in mind that we cannot share students’ records with anyone.

Per U.S. Department of Education, "When a student turns 18 years old, or enters a postsecondary institution at any age, the rights under FERPA transfer from the parents to the student." Parents wishing to learn about their children’s educational progress and goals need to communicate with them directly.

Thank you for your understanding,

Honors Transfer Program
