The IGETC Plan totals 34-37 UC/CSU transferable semester units. A minimum of 60 UC/CSU transferable semester units are required for transfer. You will need to complete additional coursework in your major and maybe some elective courses. Please see a counselor to develop an Education Plan so you can reach your goals.

**A course must be a minimum of 3 semester/4 quarter units to meet the requirements for IGETC (except Area 5C).
A minimum "C" grade is required in each college course for IGETC. A "C" is defined as a minimum 2.0 grade points on a 4.0 scale.**

Not part of IGETC, but may be completed prior to transfer. For IGETC certification purposes, courses used to satisfy this CSU graduation requirement may also be used to satisfy IGETC Subject Areas 3 and/or 4. However, if a course(s) is used to satisfy both an IGETC subject-area requirement and the CSU United States History, Constitution and American Ideals graduation requirement, some CSU campuses may require students to take an additional course(s) after transfer. CSUN will NOT require an additional course(s). Other CSU campuses should be consulted directly regarding their policy.

US-1: Historical development of American institutions and ideals

US-2: U.S. Constitution and government

US-3: California state and local government

IGETC Policy and Information

(See the Articulation Agreements link on the Transfer Center website for the full IGETC policy)

- To be certified all courses must be completed with a grade of “C” or better. A grade of “P” (Pass) may be used if the grading policy of the community college states that “P” is equivalent to a grade of “C” or better. The UC will allow no more than 14 semester units taken “P” toward UC eligibility or IGETC.
- Courses may be used only once to satisfy one IGETC subject area, even if they are listed in the course agreement under more than one subject area. Courses may be used to satisfy both IGETC and major requirements.
 - **Warning:** Many students attend multiple California Community College campuses. Be sure to follow the IGETC at each college of attendance. IGETC policy states that IGETC coursework completed in a specific subject area will be used in the area designated by the California Community College at which the course was completed. This is also the policy if you complete courses at more than one of the LACCD campuses. You must follow the IGETC of each campus you attend.
- UC LOTE Area 6 IGETC Standards: Additional mechanisms to demonstrate competency: (1) Satisfactory completion, with “C” grades or better of two years of formal schooling at the sixth grade level or higher in an institution where the language of instruction is not English; (2) AP, IB as indicated below; (3) SAT language scores (see a counselor); (4) achievement test approved by community college, or faculty verification of competency (see a counselor). Verification as indicated in IGETC Standards.
- Units shall be converted to either all quarter units or all semester units to best serve the student when combining quarter and semester unit values within an IGETC area.

ADVANCED PLACEMENT (AP) (IGETC Standards 1.8)

A score of 3, 4, or 5 is required to grant credit for IGETC certification. An acceptable AP score for IGETC equates to 3 semester units for certification purposes. Each AP exam may be applied to one IGETC area as satisfying one course requirement, with the exception of Language Other Than English (LOTE). Students who have earned credit from an AP exam should not take a comparable college course because transfer credit will not be granted for both.

Students earning scores of 3, 4, or 5 in the Physical and Biological Science AP examinations earn credit toward IGETC Area 5 and meet the IGETC laboratory activity requirement. AP exams in Biology, Chemistry, Physics 1, Physics 2 or Physics B allow CCC campuses to apply 4 semester or 5 quarter units to IGETC certification. For Environmental Science, Physics C: Mechanics and Physics C: Electricity/Magnetism 3 semester or 4 quarter units are applied for IGETC certification. Therefore, students who complete these exams will be required to complete at least 4 semester or 5 quarter units to satisfy the minimum required units for Area 5.
