IGETC Policy and Information

(See the Transfer Center website for the full Pierce College IGETC policy)

- To be certified all courses must be completed with a grade of “C” or better. A grade of “P” (pass) may be used if the grading policy of the community college states that “P” is equivalent to a grade of “C” or better. The UC will allow no more than 14 semester units taken P toward UC eligibility or IGETC.
- Courses may be used only once to satisfy one IGETC subject area, even if they are listed in the course agreement under more than one subject area. Courses may be used to satisfy both IGETC and major requirements.
 - Warning:** Many students attend multiple California Community College campuses. If that’s you, be sure to follow the IGETC at each college of attendance. IGETC policy states that IGETC coursework completed in a specific subject area will be used in the area designated by the California Community College at which the course was completed. This is also the policy if you complete courses at more than one of the LACCD campuses. You must follow the IGETC of each campus you attend.
- UC LOTE Area 6: IGETC Standards: Additional mechanisms to demonstrate competency: (1) Satisfactory completion, with “C” grades or better, of two years of formal schooling at the sixth grade level or higher in an institution where the language of instruction is not English; (2) AP, IB as indicated below; (3) SAT language scores (see counselor); (4) achievement test approved by community college, or faculty verification of competency (see counselor). Verification as indicated in IGETC Standards.
- When combining quarter and semester unit values within an IGETC area, units shall be converted to either all quarter units or all semester units to best serve the student.
