

# PIERCE COLLEGE

## HIGH SCHOOL OUTREACH & RECRUITMENT

### STUDENT LEARNING OUTCOMES (SLO's)

- Students are able to complete the admissions application accurately through application workshops hosted at their high schools, where they will be supported by OAR staff
- Students are able to complete their English and math assessments on site at their high schools
- Students are able to complete the Summer Bridge application easily and accurately through assistance from outreach representatives
- Students will have a better understanding of their academic options and how to achieve their educational goals through participation in counseling sessions at their high schools
- Summer Bridge Program participants will be informed about campus student services, and policies and procedures, including information regarding their privacy rights concerning access to their student records
