A MESSAGE FROM THE PRESIDENT

Welcome to Pierce College.

As Sir Paul McCartney once asked “Will you still need me, will you still feed me, when I’m 64?” Founded in 1947-1948, Pierce College is celebrating its 64th birthday during this academic year, and we sincerely hope that we provide vital services to the residents of the San Fernando Valley, and that you still need us. Among the activities the college is engaged in to continue our long tradition of providing services to our students and the community is the adoption of transfer pathway degrees. This project was facilitated by the 2010 passage of SB 1440, a State Senate bill authored by Senator Alex Padilla. This law was first mentioned in our spring 2011 schedule of classes, and I promised to keep you updated on our progress.

The goal of SB 1440 is to streamline the transfer process for California community college students planning to attend a California State University (CSU) system campus. Thus far, Pierce College has submitted for approval to the State Chancellor’s Office two degree pathways. The first of these pathways is based on a statewide model curriculum program in Mathematics. Our second SB1440 degree is in Sociology which has been approved by our Region 7 CSU campuses, California State University Northridge, California State University Los Angeles, and California State University Dominguez Hills. In addition to these two degree pathways, Pierce College faculty in Physics, Child Development, Business, and History are reviewing the options in each of their disciplines for adopting a transfer pathway degree.

Pierce College also offers courses and programs leading to degrees and certificates for those students who want preparation to enter the workforce directly. Programs providing career and technical training include: Addiction Studies, Agriculture, Horse Science, Horticulture, Architecture Technology, Automotive Technology, Business Administration, Child Development, Computer Applications and Office Technologies, Computer Science, Electronics, Graphic Design, and Nursing. To learn more about any of our programs and services, please see the college website www.piercecollege.edu. We hope that you will find many opportunities to need us in our 64th year and well beyond.

Sincerely,

Kathleen Burke-Kelly
President

Pierce College Mission Statement
Pierce College is a learning institution that offers excellent opportunities for student access and success in a diverse college community. The college dedicates all of its resources to ensure that students achieve their educational, career, and personal goals. Our comprehensive curriculum and support services enable students to earn associate degrees and certificates, prepare for transfer, gain career and technical education proficiency, develop basic skills, and prepare for lifelong learning. We also serve our community through economic and workforce development.

Pierce College values:
• Student success and engagement
• An environment conducive to learning
• Access and opportunity
• Service to our communities
• Commitment to excellence
• Enrichment through diversity
• Freedom to think, dialogue, and collaborate

**Nondiscrimination Policy**

All programs and activities of the Los Angeles Community College District shall be operated in a manner which is free of discrimination on the basis of race, color, national origin, ancestry, religion, creed, sex, pregnancy, marital status, medical condition (cancer related), sexual orientation, age, disability or veteran’s status (Reference: Board Rule 15001 et seq.).

**Americans with Disabilities Act (ADA)**

Pierce College is committed to providing reasonable accommodations to students, faculty and staff with disabilities in compliance with the Americans with Disabilities Act of 1990 (ADA) and corresponding state law. Complaints that a program, activity or service of Pierce College is not accessible should be directed to the compliance officer/ADA coordinator, Sylvia Silva, in BUS 3215 at (818) 710-2508 (voice), (818) 710-4220 (TTY), or compliance@piercecollege.edu.

**Accuracy Statement**

The Los Angeles Community College District and Pierce College have made every effort to make this Class Schedule accurate and may, without notice, change general information, courses, or programs offered. The reasons for change may include student enrollment, level of funding, or other issues decided by the district or college. The district and college also reserve the right to add to, change, or cancel any rules, regulations, policies and procedures as provided by law.

# Admissions – Who Can Attend Pierce College?

## You may attend Pierce College if:

- You have graduated from high school or have successfully passed the California High School Proficiency Examination, or
- You are over 18 years of age and are no longer attending high school and are capable of profiting from the instruction offered, or
- You are under 18 years of age and not a high school student, with special permission as a full-time student, or
- **CONCURRENT ENROLLMENT AT PIERCE COLLEGE AND HIGH SCHOOL**
  High School students may enroll concurrently at Pierce College. In addition to the online application for admission, you must submit a separate concurrent enrollment form, approved by your high school counselor and your parents. The enrollment fee is waived for concurrent students who are California residents as long as they are enrolled in 11 units or less in the Los Angeles Community College District. Non-residents will be charged the non-resident tuition for all units taken at any LACCD campus. Concurrent enrollment forms are available online on the Pierce website (www.piercecollege.edu) and at many high school counseling offices. Students in less than 9th grade require special processing. Call (818) 719-6448 for details. Concurrent students are given the last priority for registration.

## How do I apply for admission?

- Online applications begin October 1, 2011. Submit your application as early as possible. The earlier your application, the earlier your registration appointment and the greater your selection of classes. There is no charge for filing an application.
- For the earliest registration appointment, submit your application online at www.piercecollege.edu.
- If you are a foreign student holding an F-1 visa, apply for admission on the first floor of the Student Services Building.
  
  Picture ID is required for all transactions. Every student will be assigned a student ID number when they apply. Providing your Social Security Number is optional. It is only required for students applying for financial aid and for students (or their parents) who will be eligible for student tax credits. The Admissions and Records Office is located in the Student Services Building. Office hours: 8:00 a.m. - 7:30 p.m. Monday through Thursday, and 8:00 a.m. - 4 p.m. Friday.

## What are residence requirements?

### California Residence Requirement

- To attend any of the Los Angeles Community Colleges as a resident of California, a student is required to have been a California resident for a year and a day prior to the start of the semester.
- If you are not a citizen of the United States you may meet the residency requirement depending on your status with United States Citizenship and Immigration Service (USCIS), length of time residing within the state of California, and other factors. Determination of residence status will be made at the time you file your application. Please bring with you original copies of all relevant USCIS documents.
- Non-resident students applying for reclassification as residents must also show financial independence for the past three years.
- A non-resident student from another country is charged non-resident tuition of $207 per unit.
- A non-resident student from another state is charged non-resident tuition of $190 per unit.
- All non-residents must also pay the $36 per unit enrollment fee. This fee is subject to change.
- Non-resident fees may be waived for graduates of California high schools under certain conditions. (See white insert for AB540 petition)
- Beginning Summer 2009 non-resident fees are no longer automatically waived in the Los Angeles Community College District. You can submit a tuition waiver request available on our website at www.piercecollege.edu.
- Students in the Foster Youth may qualify for In State residency with Assembly Bill 669.
## Registration

### Pierce College Class Registration

- **Instructions for ONLINE REGISTRATION**
  - Website: [www.piercecollege.edu](http://www.piercecollege.edu)
  - Click on the Class Registration link.
  - Student Information System page will appear. Click on log on button at bottom of screen.
  - Read instructions on new page.
  - Click on How to use the system and read instructions. Click close when finished.
  - Click on Student Information System, read instructions and proceed.

### District Registration

- Students registering for classes through the college’s web-based registration system will also have the opportunity to register for classes at any of the other colleges in the Los Angeles Community College District – East LA College, LA City College, LA Harbor College, LA Mission College, Pierce College, LA Trade Technical College, LA Southwest College, LA Valley College, and West Los Angeles College. Students can also register for Instructional Television (ITV) classes as well.

### Repetitions and Withdrawals

- **New rules about the number of times you can attempt a course**
  - Effective Summer 2012, course withdrawal ("W") or a substandard grade ("D," "F," or "NP") count as an attempt at a course. Only three attempts at any one course will be allowed, with some exceptions. Listed below are the new rules that all students need to know about.
  - Students who drop or are excluded after the last day to drop without a grade of "W" will have a "W" appear on their transcript. The "W" will count as an attempt for that course.
  - A course in a student’s transcript which currently shows a recorded "W" counts as an attempt for that course.
  - Students will not be allowed to register for any course within the LACCD if there are three recorded attempts for that course in any combination of W, D, F, or NP grades.
  - Add permits for a course within the LACCD will not be processed if there are three recorded attempts for that course in any combination of W, D, F, or NP grades.
  - For courses specifically designated as “repeatable,” students may repeat up to three times. (See Title 5 California Code of Regulations sections 55040, 55041, 58161).
  - Where the student's number of enrollments in a course exceeds the allowable amount, the student may petition for an additional enrollment in cases of extenuating circumstances.

- **What students should do:**
  - Be sure you are academically ready for classes you enroll in.
  - If you must drop a course, drop before the specified deadline for dropping a class without a grade of "W."
  - See a counselor before making decisions that could affect your educational plan.

### Waiting Lists

- Some departments utilize a **wait list system** to prioritize the way students can be added to a class that has become closed due to the enrollment reaching the limit (the class stays closed even if students drop the class). In this situation, a wait-listed student will need to attend the first session of a class in order to get a signed add card from the instructor if there is room in the class for the student to be added.

- Other departments **do not utilize a wait list system.** In this case, the system allows students to enroll in a course through the online registration portal, on a first-come first-served basis, the moment a seat becomes available in the course due to a student dropping out. This option, however, is only available until the day before classes begin. After that, interested students will need to attend the first day of class and the instructor will give them a signed add card should there be room in the class to add the student.

### Search for Classes on the Web!

- Using the college's web registration system, students can search for available classes at any college in the Los Angeles Community College District. They can even search for a particular course by time and days of the week!

### 12,000 Classes to Choose From!

- The opportunity to enroll at multiple colleges gives students access to over 12,000 classes throughout the nine colleges in the Los Angeles Community College District.
Pierce College sends emails to students every semester with important information about registration and semester deadlines. Make sure you receive the information you need by updating your email addresses.

Enrollment Process – How To Register For Spring 2012 Classes

**New Students**
You are a NEW student if this is your first time to ENROLL in classes or you have not been active in a class for over a year.

1. **Complete Application**
   To receive the earliest possible registration appointment, apply online ([www.piercecollege.edu](http://www.piercecollege.edu)). International students must complete their admissions process through the International Students Office. Concurrent high school students must also submit a completed Concurrent Enrollment Permission form.

2. **Financial Aid**
   To receive the best possible aid package for 2011–2012 new students should have filed their Free Application for Federal Financial Aid (FAFSA) between January 1, 2011 and March 2, 2011 to be considered for Priority Funding for the 2011–2012 academic year. Students who did not file a FAFSA prior to March 2, 2011 are urged to file their 2011–2012 FAFSA as soon as possible, however funds in some programs may be limited or not available. For faster processing apply on line at [www.fafsa.ed.gov](http://www.fafsa.ed.gov).

3. **Assessment**
   Complete the English or English as a Second Language (ESL) and mathematics placement process. This process helps place you in classes where you are most likely to succeed. You should complete the assessment process as early as possible. All sample tests can be downloaded from the internet, including English, math and chemistry exams. You may view your placement results online, usually within 3-5 business days, by logging into the Student Information System. Test scores and/or course work from other colleges may be used in place of the Pierce Assessment. Questions? Contact the Assessment Center at 719-6499.

4. **On-line Orientation**
   You must complete the on-line orientation at [www.piercecollege.edu](http://www.piercecollege.edu). If you have additional questions, see a counselor.

5. **Registration**
   You will receive your registration appointment by e-mail when you apply online. You may register for your classes online. Complete instructions can be found in this schedule and in the on-line orientation.

6. **Payment**
   Payment is due when you register. You may pay with cash, check or credit card. A hold will be placed on your record if you do not pay when you register. A Registration/Fee Receipt and a Pierce College picture ID card will be issued to you when payment is made. If you pay by web or mail, you may pick up your picture ID in the College Services Building.

   Pierce College will no longer be mailing Registration/Fee Receipts and Parking Permits to students beginning Summer 2010. Students must come to the College Business Office to pick up their Receipts and Parking Permits. The Business Office will only print out a schedule of classes for those who have paid their registration fees in full.

   Please note that a $10 returned check charge is assessed for a check returned to the Business Office unpaid by the bank for any reason. A stop payment order on a check does not constitute an official withdrawal nor does it release the student's financial obligation for the fees. A student with an unpaid financial obligation will not be able to register for subsequent semesters.

**Continuing Students**
You are a CONTINUING STUDENT if you were active in classes during either the Fall 2011 or the Spring 2011 semesters.

1. **Registration Materials**
   Continuing students will receive an email in November with their priority internet registration appointments for registration beginning November 17. Instructions are in the center of the Schedule of Classes. Your priority registration appointment is also available on the Pierce website.

2. **Financial Aid**
   To receive the best possible aid package for 2011–2012 continuing students should have filed their Free Application for Federal Financial Aid (FAFSA) between January 1, 2011 and March 2, 2011 to be considered for Priority Funding for the 2011–2012 academic year. Students who did not file a FAFSA prior to March 2, 2011 are urged to file their 2011–2012 FAFSA as soon as possible, however funds in some programs may be limited or not available. For faster processing apply on line at [www.fafsa.ed.gov](http://www.fafsa.ed.gov).

3. **Assessment**
   You may need to meet certain course prerequisites prior to registration. Check individual course requirements. All sample tests can be downloaded from the internet, including English, math and chemistry exams.

4. **Counseling/Prerequisites**
   See a counselor well in advance of registration. Ask about degree and major requirements. Check the Counseling website to schedule an appointment. Bring proof of prerequisite courses completed at other colleges to the Counseling Office or Assessment Center in the Student Services Building. Questions? Call 719-6499.

5. **Registration**
   Use your priority registration appointment to register online. Follow the instructions on the white pages in the center of this publication. Write down and save your confirmation numbers.

6. **Payment**
   Payment is due when you register. You may pay with cash, check or credit card. A hold will be placed on your record if you do not pay when you register. If you pay on line or by mail, you must pick up your registration/fee receipt and parking permit on campus at the Business Office.

   Pierce College will no longer be mailing Registration/Fee Receipts and Parking Permits to students beginning Summer 2010. Students must come to the College Business Office to pick up their Receipts and Parking Permits.

   The Business Office will only print out a schedule of classes for those who have paid their registration fees in full.

   Please note that a $10 returned check charge is assessed for a check returned to the Business Office unpaid by the bank for any reason. A stop payment order on a check does not constitute an official withdrawal nor does it release the student's financial obligation for the fees. A student with an unpaid financial obligation will not be able to register for subsequent semesters.
Enrollment Process

Important For All Students

Once the semester begins, here’s how to:

Add a Class
- Students may continue to add classes through the Pierce College web site up to February 5, 2012.

Waiting Lists
Some departments utilize a wait list system to prioritize the way students can be added to a class that has become closed due to the enrollment reaching the limit (the class stays closed even if students drop the class). In this situation, a wait-listed student will need to attend the first session of a class in order to get a signed add card from the instructor if there is room in the class for the student to be added.

Other departments do not utilize a wait list system. In this case, the system allows students to enroll in a course through the online registration portal, on a first-come first-served basis, the moment a seat becomes available in the course due to a student dropping out. This option, however, is only available until the day before the classes begin. After that, interested students will need to attend the first day of class and the instructor will give them a signed add card should there be room in the class to add the student.

Drop a Class
- Students may drop classes using the internet.
- See online registration instructions in White Insert.
- Short-term classes have different drop deadlines. Check with the class instructor or the Admissions Office.

Audit a Class
- Obtain a signed Audit Permit from the class instructor.
- Take Audit Permit to the Admissions & Records Office for processing.
- February 21 is the deadline for this request.

Fee to Audit a Class
- $15 per unit (3 units free if enrolled in 10 units of credit enrollment in the current semester).
- No Credit Given.
- No Refunds. Fee not transferable.
- Financial Aid does not pay for audits.
- Audit fees are not waived for Concurrent High School students.

Don't know where to go for a particular problem?
Start with the Information Desk, located in the lobby of the Student Services Building or call us at (818) 719-6401:
- 8:00 a.m. - 7:00 p.m. Monday - Thursday
- 8:00 a.m. - 3:00 p.m. Friday
Matriculation is a process designed to assist students in achieving their educational goals at Pierce College. It is an agreement between the college and the students. Pierce College agrees to provide an organized process of orientation, assessment, counseling/advisement and student progress follow-up. The student agrees to declare a specific educational objective, attend class and complete assigned coursework, and maintain satisfactory progress toward the achievement of his/her educational goal.

Matriculation is for students. Take advantage of these opportunities:

1. **ASSESSMENT**: The English and mathematics placement process helps place students in classes where they are most likely to succeed. Assessment is expected of all students wishing to enroll in English or mathematics classes.

2. **ON-LINE ORIENTATION**: Completion of our on-line orientation is essential for all new students. You can access the orientation via the Pierce College homepage at www.piercecollege.edu. You will find information on the programs we offer, transfer requirements, academic planners, and student services here on campus. Please use this as a resource throughout your time here at Pierce.

3. **COUNSELING**: The Counseling Department can help you with your educational plan, major, transfer and career exploration. We also offer personal counseling. Check the Counseling website to schedule an appointment.

4. **FOLLOW-UP**: After enrolling for the first semester, students will continue to receive follow-up services through the Counseling Department, Career Center, and Early Alert Program. Five weeks into each semester, Early Alert letters will be mailed directly to each student’s home. These letters will provide students with academic progress information.

For information or questions regarding the Matriculation Program, contact the Assessment Office in the Student Services Building at (818) 719-6499.

Pierce College Policy on Prerequisites, Corequisites, Recommended Preparation, and Limitations on Enrollment

The faculty has identified knowledge and skills that are necessary for success in certain classes. At registration, students need to determine if any courses require previous knowledge. The catalog and schedule of classes use four terms to show if such knowledge is required:

PREREQUISITE: means a condition of enrollment that a student is required to meet in order to demonstrate current readiness for enrollment in a course or educational program (i.e., a course that must be passed with a grade of "C" or better, or a requirement that must be met before enrolling in a given course). Students will not be permitted to enroll in such courses and programs without the appropriate prerequisite.

COREQUISITE: is a condition of enrollment consisting of a course that a student is required to take simultaneously in order to enroll in another course (i.e., a course that must be taken at the same time as another course.)

ADVISORY: means a condition of enrollment that a student is advised, but not required, to meet before or in conjunction with enrollment in a course or educational program (i.e., preparation that is helpful, but not required, before enrolling in a given course).

LIMITATIONS ON ENROLLMENT: a prerequisite necessary to protect a student's health and safety and the health and safety of others. (See prerequisite). Limitations on enrollment may also apply to certain courses (e.g., performance, honors, and special programs) if comparable courses are provided.

Prerequisite Challenge Procedures

A student may challenge a prerequisite or corequisite by filing a prerequisite challenge form. The reasons for seeking a challenge may include one or more of the following:

1. A prerequisite is not reasonably available;
2. The student believes the prerequisite is not valid or necessary for the success in the course for which it is required;
3. The student believes the prerequisite is discriminatory or being applied in a discriminatory manner, or
4. The student has the documented knowledge or ability to succeed in the course without meeting the prerequisite.
5. The student believes it to be unfounded that he or she might cause a health or safety hazard.

The steps for filing a challenge are outlined below:

1. Obtain and complete a challenge form accompanied by all necessary documentation, from the Assessment Office (Student Services Building) or download from their website.
2. Return the completed form with documentation to the Assessment Office. A prerequisite challenge requires written documentation (e.g. proof of alternative course work, explanation of background or abilities which adequately prepare the student for the course, etc.) before it can be processed.
3. Return to the Assessment Office five (5) working days after filing a challenge for an answer.

Students with questions regarding filing a prerequisite challenge may contact the Assessment Office in the Student Services Building or call (818) 719-6499 for information or appeal procedures to the challenge process outlined above.

All fee refunds must be claimed in person at the Business Office.

Please note that a $10 returned check charge is assessed for a check returned to the Business Office unpaid by the bank for any reason. A stop payment order on a check does not constitute an official withdrawal nor does it release the student’s financial obligation for the fees. A student with an unpaid financial obligation will not be able to register for subsequent semesters.

### Tax Credit Available to Students

In accordance with federal tax credit legislation, Pierce College will mail a verification 1098T form the end of January to each student registered at least half-time on census day and who has paid registration fees. Please check with your tax preparer to determine if you are eligible to take advantage of this credit and the amount you may deduct. If you are entitled to this deduction, it is important that the college have your current address. If you have moved, you need to complete a Change of Information form with the Office of Admissions and Records. The social security numbers of students who have chosen an assigned identification number will not be printed on the 1098T. If you wish to add your social security number you may do this by completing a W-9, Request for Taxpayer Identification Number and Certification form with the Business Office.

For more information see page 132.

### Key To Transfer Credit Codes

- **UC**: This course is acceptable for credit at all University of California campuses.
- **†UC**: The granting of transfer credit by a UC campus for directed study, fieldwork, or variable topics courses is contingent upon a review of the course outline AFTER transfer. A UC student must submit a petition to initiate this process. For further clarification, please consult a counselor.
- **CSU**: This course is acceptable for credit at all California State University campuses.
- **NDA**: Non-Degree Applicable. Some courses which are offered for college credit, but which cannot be applied toward graduation requirements for the Associate Degree are designated by the code NDA. (Please refer to the catalog.)
- **RPT**: Number of times a course may be repeated for credit.
- **Time/Day Codes**
  - **Daily**: Meets Monday through Friday.
  - **TBA**: Day and Hours to be arranged. See Instructor

**Prerequisite:** A condition of enrollment that a student is required to meet in order to demonstrate current readiness for enrollment in a course or educational program. You must complete prerequisites before enrolling in a class.

**Corequisite:** A condition of enrollment consisting of a course that a student is required to take simultaneously in order to enroll in another course.

**Advisory:** A condition of enrollment that a student is advised, but not required, to meet before or in conjunction with enrollment in a course or educational program.

### Biology 8281—
**Natural History II (UC:CSU)** - 1 Unit

*UC transferable only if all three modules of Biology 11 A, B & C are completed.

**Topic:** Island Ecology—Kelp Forests of Catalina Island.

Note: This course is taught in one unit modules. No credit for repeated modules.

This is a non-traditional course for which special rules apply as to attendance and grading.

Note: This course is offered on a pass/no-pass basis only. Students do not have the option of receiving letter grades.

Note: This class consists of an on-campus lecture and laboratory in CFS 91008 on Saturday, May 12, from 10:00 a.m. to 2:30 p.m.

On Sunday, May 20, there will be an all day snorkeling trip to Catalina Island.

Boat transportation is included in the course; however, students will need to provide their own snorkeling gear and wetsuits. Contact Dr. R. Wells for further information at pcmsusa@hotmail.com or (818) 710-4285.

See www.pcmsusa.org website for course description and more information.

English Proficiency Requirement
It is recommended that students whose native language is other than English be enrolled in ESL 87 before enrolling in Chemistry Laboratory courses. Chemistry courses require good reading and writing skills. It is recommended that students be enrolled in or eligible for English 28 or higher before enrolling in any chemistry course.

CHEMISTRY 51—
FUNDAMENTALS OF CHEMISTRY I (CSU) - 5 UNITS
Prerequisite: Math 115 with a grade of ‘C’ or better, or equivalent skill level demonstrated through the mathematics placement process.

PROOF OF ELIGIBILITY MUST BE BROUGHT TO THE COUNSELING OFFICE.

Recommendation: Eligibility for English 28.

A basic introduction to the principles of chemistry with emphasis on those important for Nursing, Home Economics, Veterinary Technology, and Allied Health Sciences.

Note: There will be a specific tutor(s) for this course in the Center for Academic Success (CAS) during the semester. Their hours of availability will be posted at CAS and the Chemistry Department.

Did you know that you get an “F” grade if you stop attending a class and don’t drop it?

How do you cut out your “F”s?
Use the online registration system to drop courses prior to the deadline. For full-term length classes the last day to drop is May 6. For any other classes the last day to drop varies from class to class. Please check with the course instructor or the Admissions & Records Office.
CHEMISTRY 60—
INTRODUCTION TO GENERAL CHEMISTRY (UC:CSU) - 5 UNITS
Prerequisite: Math 115 with a grade of ‘C’ or better, or equivalent skill level demonstrated through the mathematics placement process.

PROOF OF ELIGIBILITY MUST BE BROUGHT TO THE COUNSELING OFFICE.

An introductory course for science majors who have not taken a previous chemistry course or who need a refresher course. This course serves to prepare students for Chemistry 101.

Note: There will be a specific tutor(s) for this course in the Center for Academic Success (CAS) during the semester. Their hours of availability will be posted at CAS and the Chemistry Department.

Students remain financially responsible for the enrollment fee and tuition charges unless they drop by the end of the second week of the semester.

CHEMISTRY 101—
GENERAL CHEMISTRY I (UC:CSU) - 5 UNITS
Prerequisites: Chemistry 60 or its equivalent with a grade of ‘C’ or better; Math 125 with a grade of ‘C’ or better, or equivalent skill level demonstrated through the mathematics placement process.

PROOF OF ELIGIBILITY MUST BE BROUGHT TO THE COUNSELING OFFICE.

Note: There will be a specific tutor(s) for this course in the Center for Academic Success (CAS) during the semester. Their hours of availability will be posted at CAS and the Chemistry Department.

Chemistry 101 Readiness Test
It is recommended that all students planning to enroll in Chemistry 101 as their first chemistry course at Pierce College take the Chemistry 101 Readiness Test at the Assessment Center located in the Student Services Building. Contact the Assessment Center at (818) 719-6499 for an appointment and an information sheet. Prerequisite courses or placement results taken at other accredited colleges or universities must be presented to the Assessment Center to be substituted for the Pierce Chemistry 101 Readiness Test.

Results from the test are intended to assist students in enrolling in the class where they are most likely to succeed. Upon completing the test, students are advised of their placement and given their authorization to enroll. Students must pass the test within one year of when they register to enroll in Chemistry 101. A student who passes the test may take the exam more than once to maintain this recency requirement, but a student who fails may not repeat the test. Students who wish to challenge the recommendation of the readiness test should consult the Chemistry Department Advisor, Dr. Izzy Goodman, at (818) 719-6464 or goodmaii@piercecollege.edu. The prerequisites for Chemistry 101 are not waived on the basis of any assessment test scores.

Upon completing the test, students are advised of their placement and given their authorization to enroll. Students must pass the test within one year of when they register to enroll in Chemistry 101. A student who passes the test may take the exam more than once to maintain this recency requirement, but a student who fails may not repeat the test. Students who wish to challenge the recommendation of the readiness test should consult the Chemistry Department Advisor, Dr. Izzy Goodman, at (818) 719-6464 or goodmaii@piercecollege.edu. The prerequisites for Chemistry 101 are not waived on the basis of any assessment test scores.

SPRING 2012 SCHEDULE
Thursday, November 17 @ 5:00 p.m.
Monday, December 5 @ 12:00 noon
Thursday, January 12 @ 12:00 noon
Tuesday, February 7 @ 5:00 p.m.

CHEMISTRY 101—
GENERAL CHEMISTRY I (UC:CSU) - 5 UNITS
Prerequisites: Chemistry 60 or its equivalent with a grade of ‘C’ or better; Math 125 with a grade of ‘C’ or better, or equivalent skill level demonstrated through the mathematics placement process.

PROOF OF ELIGIBILITY MUST BE BROUGHT TO THE COUNSELING OFFICE.

Note: There will be a specific tutor(s) for this course in the Center for Academic Success (CAS) during the semester. Their hours of availability will be posted at CAS and the Chemistry Department.

Chemistry 101 Readiness Test
It is recommended that all students planning to enroll in Chemistry 101 as their first chemistry course at Pierce College take the Chemistry 101 Readiness Test at the Assessment Center located in the Student Services Building. Contact the Assessment Center at (818) 719-6499 for an appointment and an information sheet. Prerequisite courses or placement results taken at other accredited colleges or universities must be presented to the Assessment Center to be substituted for the Pierce Chemistry 101 Readiness Test.

Results from the test are intended to assist students in enrolling in the class where they are most likely to succeed. Upon completing the test, students are advised of their placement and given their authorization to enroll. Students must pass the test within one year of when they register to enroll in Chemistry 101. A student who passes the test may take the exam more than once to maintain this recency requirement, but a student who fails may not repeat the test. Students who wish to challenge the recommendation of the readiness test should consult the Chemistry Department Advisor, Dr. Izzy Goodman, at (818) 719-6464 or goodmaii@piercecollege.edu. The prerequisites for Chemistry 101 are not waived on the basis of any assessment test scores.

And  2-Hrs, 20 min  TBA  BINSLEY, J R  BUS 3252

Enroll in these Microsoft Office 2010 courses:

- Learn the most popular word processing program
  CAOT 39 Word Processing: Keyboarding and Operations

- Communicate with e-mail
  CAOT 67 Microsoft Outlook for the Office

- Learn advanced features
  CAOT 79 Word Processing Applications

- Crunch the numbers
  CAOT 85 Microcomputer Office Applications: Spreadsheet
Basic keyboarding skills and computer knowledge.

Computer Applications Office Technologies 82—Microcomputer Software Survey

In the Office (CSU) - RPT 2 - 3 UNITS

(MICROSOFT OFFICE 2010: WORD, EXCEL, ACCESS, POWERPOINT, AND WINDOWS 7)

Introduces student to the use of the personal computer and commercially available software (Microsoft Office) that is used universally—in business, in education, in government, and for personal applications. Course provides hands-on introduction to personal computers and Windows as well as word processing, database, spreadsheet, graphics, and presentation software. Student gains basic knowledge necessary to interact with the computer. No previous computer operating experience required, although ability to type is recommended.

And 2-Hrs, 5 min TBA CLARK, O R BUS 3250

Computer Applications Office Technologies 96—Adobe Creative Suite Survey

For the Office and the Web - RPT 2 - 3 UNITS

(ADOBE CREATIVE SUITE CS5)

Introduces Adobe InDesign, Adobe Photoshop, and Adobe Illustrator as they apply to use in business offices. Provides hands-on instruction on a wide variety of tools and techniques for creating highly professional documents that include text, images, and graphics. Covers the basic vocabulary specific to these programs. Students should have basic keyboarding skills and computer knowledge.

0233 Lec 11:10 - 12:15 T Th SIROTT, A S BUS 3250
Lab 12:15 - 12:35 T Th SIROTT, A S BUS 3250
And 2-Hrs, 20 min TBA SIROTT, A S BUS 3250

Computer Applications Office Technologies 97—Introduction to the Internet for CAOT - RPT 2 - 3 UNITS

Advisory: Basic keyboarding skills and computer knowledge.

Covers the modern Internet tools used in business today. Students will obtain experience in using these tools and gain a firm understanding of their use. Some of the tools covered include social networking, virtual meetings, messaging, research, file sharing, remote access, and others as they emerge.

This course is designed for business majors and individuals who wish to establish, maintain, or work from a virtual office.

SEQUENCE OF ENGLISH COMPOSITION COURSES

The English department offers a sequence of classes designed to coincide with students’ reading and writing ability on entering college.

ENGLISH 21
This English fundamentals course concentrates on improvement of writing skills, particularly sentences and paragraphs, and reviews the basics of punctuation, spelling and sentence structure.

ENGLISH 28
This is the course designed to assist the student to make a successful transition to English 101. It emphasizes grammar, sentence structure, paragraph and essay writing.

ENGLISH 101
This is the composition course required for students who plan to transfer to a four year college. It emphasizes expository reading and essay writing, research techniques and semantics. Students in English 101 are expected to write well-organized, grammatically correct compositions of 700 words and more.

ENGLISH PLACEMENT PROCESS
The results of the English Placement Process or a valid English Enrollment Authorization Form must be on file in order to enroll in English 21, 28, English 82, 84-87, or English 101, 102, 103.

All students planning to enroll in an English course for the first time are expected to complete the English Placement Process at the Pierce College Assessment Center (Student Services Building). Visit the Assessment Center website to make an appointment and obtain sample test information. Placement results or prerequisite courses taken at other colleges may be presented to the Assessment Center to be substituted for the Pierce English Placement Process.

Upon completing the process, students are advised of their placement and given an authorization to enroll in a course other than that in which they have been placed must meet with an English Department advisor.

Students need to provide evidence of prerequisite completion either through coursework in the Los Angeles Community College District, by completing the Pierce College English Placement Process, or through transcripts from other schools presented at the Assessment Center.

THE WRITING LAB: EB VLGE 8310
The Writing Lab, available to all enrolled Pierce College students, provides individualized one-on-one tutoring in writing by experienced instructors. Computer-assisted tutorials are also available in grammar, punctuation, and most areas of composition. Seen by appointment, students may schedule visits to receive this free assistance by phoning ext. 4370 or 2514. Walk-in tutoring is provided as availability allows.

STUDENTS WHO FAIL TO ATTEND THE FIRST CLASS MEETING MAY FORFEIT THEIR PLACE IN THE CLASS.

ENGLISH 20A—
COLLEGE READING SKILLS (NDA) - 3 UNITS
Topic: Reading Improvement.
Note: This course is not recommended for ESL students.

### ENGLISH PLACEMENT PROCESS FOR NON-NATIVE SPEAKERS OF ENGLISH.

- The basic language of instruction in all schools is English. (Education Code, Article 3, Section 30.)
- Admission to the California Community College is contingent on the ability to profit from the instruction offered.
- If you have not completed a college level course in English, complete the English placement process or the ESL placement process, if appropriate.
- The placement process will place you in the right English class.

## Learning Skills

Center for Academic Success Program Director: Kathleen Boddicker.  
Phone: 710-2938. Office: CAS 1613A.

All Learning Skills courses will have mandatory orientations and assessments for the first two weeks of class, during which lab protocol and course expectations will be discussed.

All students enrolled in Learning Skills courses will be assessed in the subject area in which they are enrolled (math or English) and are expected to attend all sessions (both lab and lecture) in which they are enrolled.

Students enrolled in Learning Skills courses will be instructed in the use of computer assisted instructional programs and will be given a user ID and password for the program at this time.

*Note: MATHEMATICS PLACEMENT PROCESS:

Students who have not completed a college mathematics course must complete the Mathematics Placement Process at the Pierce College Assessment Center located in the Student Services Building. Visit the Assessment Center website to make an appointment and obtain sample tests. Review is highly recommended.

The placement test is administered by a computerized system. After answering a series of profile questions you begin answering math questions and your level rises or lowers depending on your answers until your appropriate math level is determined. Upon completing the process, students are advised of their placement and given an authorization to enroll in that course. Students who wish to challenge the recommendation of the assessment test should consult a Mathematics Department advisor.

Indicated prerequisites for mathematics courses are not waived on the basis of any assessment test scores.

**Note: Pierce prerequisite or the equivalent course at another accredited college or university.

Some sections require Internet access for homework.

Some sections require graphing calculators. A limited number of TI-83 and TI-84 calculators are available for rent from the department on a first-come, first-served basis.

Information regarding specific course needs may be found on the instructor's web page.

Is Online Learning Right for You?

Explore this free student workshop ([http://online.piercecollege.edu/student_workshops.html](http://online.piercecollege.edu/student_workshops.html)) to see if you have what it takes to become a successful online student.
Pierce College is a partner with CSUN, CSULB, and Humboldt State in a grant (Next Generation Learning Challenges) to help you succeed in your core math classes.

The MAP Math 125 sections will provide a different format for learning intermediate algebra. This learning community:

- Features directed learning activities—rather than just listening and taking notes, you will be actively engaged in classroom activities.
- Includes study skills instruction—you co-enroll in a paired section of Math 103: “How to Succeed at Math.”
- Provides special tutoring—you will have a MAP tutor assigned to your class.

There will be three MAP Math 125 sections for Spring 2012:

To learn more, go to www.piercecollege.edu, click “Students,” and then, under “Academic Services,” click “MAP.”

To sign up, email LCsuccess@piercecollege.edu with the name of the class and the math instructor you’d like to add. You will be sent an e-mail confirming your place on the wait list, and giving you the dates for an orientation that you must attend to receive your add cards to enroll in the class.
The ASAP Learning Community

"ASAP" stands for Algebra Success at Pierce and is a one semester 10-14 units learning community with 4 components: Elementary Algebra (Math 115), Intermediate Algebra (Math 125) (these two are blended together), Personal Development (PD 40) or Service Learning 1, and a one unit math study skills course (Math 103). This program is designed to allow you to complete your algebra sequence "as soon as possible" - in one semester. If any of the following fits your situation, then this program is for you:

a) You placed into Math 125 but want a refresher also,

b) You placed into Math 115, but you feel you would succeed in Math 125, or

c) You did very well in your Pre-Algebra class.

To sign up, follow the instructions located on the ASAP website: www.piercecollege.edu/offices/counseling_center/learncomm.asp www.piercecollege.edu -> Students -> Under Academic Services, click on "Learning Communities"

You will be sent an email confirming your place on the wait list. You must attend Orientation on February 2, 2012 from 10:00am – 11:30am, where you will receive your add cards.

Once you are enrolled in this learning community, you will be getting 10-14 units – total immersion into mathematics with a learning community of instructors, counselors, and students there to help you succeed!

There are 5 ASAP offerings for the Spring 2012 semester.

The 4 daytime ASAP communities are listed below:

Honors Program

The Pierce College Honors Program, located in Village 8340, (818) 710-2888, offers students the opportunity to enroll in an enriched curriculum of general education classes. This program is designed for academically prepared and highly motivated students. Honors classes are limited to twenty-five students, encourage active student participation, and require substantial written work.

The Honors Program promotes student transfer to one of a number of prestigious universities, including UCLA’s College of Letters and Sciences, UC Irvine, UC Riverside, and UC Santa Cruz.

To qualify for the Pierce College Honors Program:

High School Seniors –
Students entering the program directly from high school should have a 3.0 or better cumulative grade point average and must qualify for English 101 on the Pierce College English placement examination.

TO APPLY –
High School seniors must submit the following:
1. A Pierce College Application for Admission (submit to the Admissions and Records office).
2. An Honors Program application (submit to the Honors Program office).
3. Official high school transcripts through the first semester of 12th grade, and
4. Pierce College assessment scores (submit to the Honors Program office).

Continuing Pierce College Students –
Students already attending Pierce College should have a 3.25 or better cumulative grade point average in all UC transferable work. In addition, they must be eligible for English 101, either through the Pierce College English placement examination or by having completed the necessary prerequisite courses to English 101.

TO APPLY –
Continuing Pierce College Students must submit the following to the Honors Program office:
1. An Honors Program application, and
2. Verification of college GPA and English eligibility.

Program Requirements:
To remain in good standing, students in the Honors Program must maintain a 3.25 or better cumulative grade point average at Pierce and take Honors related classes each semester. Fulfillment of Honors Program requirements for certification includes completing 18 semester units in Honors courses, including a minimum of four formal Honors courses. Certification of Honors coursework requires a minimum GPA of 3.25 in all UC transferable courses, and satisfying all of the entrance requirements of the transfer institution.

Students must contact the Honors Program office for certification at the time they apply for transfer admission.

Interior Design
If you’ve ever rearranged the furniture in your den, changed the lighting in your bedroom, or worked with contractor to remodel your home, then you’ve practiced interior design. Why not make it a career? Classes offered in our degree and certificate-granting program are taught by working professionals in the field.
ITV/The Weekend College classes allow students to complete general education classes in a focused eight-week format. The classes are offered on four campuses: City [C] and Southwest [SW] Colleges on Saturdays and Valley [V] and Pierce [P] Colleges on Sundays. The first college listed is AM only 9:00-12:00 Noon. The second college listed is PM only 1:30-4:30 PM. Students attend only one class meeting each weekend and may attend at any location.

The classes are taught by the same instructor at each campus. The classes are taught in a highly effective “blended format” combining the weekend class meetings with 26 half-hour video lessons available on cable television in the City of Los Angeles. The video component is also available in broadband, on DVD and in the College Learning Resources Centers on campus. Each class also has an online component creating a dynamic learning environment for all students.

Students enroll online on the Student Information System, select ITV as the campus. Students are advised to consult with a College Counselor when planning their Associate Degree or transfer program. For questions or registration assistance, call 818/833-3595. Financial aid is available for qualified students; fee waivers also apply to these classes. Transcripts are issued by L.A. Mission College.

Courses Offered on a Pass/No Pass Basis
(Formerly known as Credit/No Credit)

The college offers courses which students may elect to take on a pass/no pass basis.

1. Students have the option of selecting pass/no pass only for those courses listed below. Courses marked with an asterisk (*) are graded on pass/no pass basis only.
   A petition is not needed for courses with an asterisk (*).
2. Selection of courses to be taken on a pass/no pass basis must be made during the time indicated. Selection of semester length courses for Spring 2012 must be made in the Admissions and Records Office, February 6 – 20, 2012. Late requests will not be accepted. Pass/no pass grading petitions for short-term classes will be accepted during the first two weeks of the class.
3. Only one course per semester may be selected to be graded on a pass/no pass basis. (This does not include those courses in which all students are evaluated on a pass/no pass basis.)
4. A pass grade is granted for performance which is equivalent to the letter grade of “C” or better.
5. Once a course has been selected to be graded on a pass/no pass basis, a student cannot receive a letter grade for the course. The decision to take a course on this basis is irrevocable.
6. The general practice at most four-year colleges is not to accept pass/no pass grades for courses required in the major or preparation for the major. A student planning to transfer to UCLA is required to have at least 42 units in regular letter grades.
7. Students taking the pass/no pass option are held to the same academic standards as students receiving letter grades.

### Cooperative Work Experience Education

Working Students Earn College Credit/Units for On-the-Job Learning

Cooperative Education is a work experience program involving the employer, student/employee, and the College, promoting valuable on-the-job training as well as transferable (major related) college unit credit. Completion of at least seven units at the end of the semester is required (including Cooperative Education).

Work experience must be related to the student's declared major to be transferable. Up to eight units of Cooperative Education are transferable to CSU campuses as free elective units but are accepted only if the college offers that major. Up to six Co-Op Ed units are transferable to some other universities, subject to approval by the institution.

The number of Cooperative Education units acceptable toward elective credit in Pierce degree programs is dependent upon the individual's major requirements.

Veterans may receive subsistence and credit for one semester only (1-4 units), providing work experience is related to their major.

### Classes Provide

- Effective employee/employer relations
- Goals for improvement
- Motivation
- Job search techniques
- Resume writing
- Job interviewing techniques
- Professional work ethics
- Guest speakers
- Earn College Credit for on-the-job learning experiences. (1 to 4 units each semester - maximum 16 units with "Occupational" and 1 to 3 units each semester - maximum 6 units with "General")
- Regular jobs, internships, volunteer and field work qualify.
- Transfer credit (up to 8 units, if in your major) (CSU & most other universities)
- Co-Op students attend a one hour class each week, for ten weeks (or other specified schedule) combining on-the-job experience with classroom instruction.

For information regarding eligibility and enrollment, call (818) 710-4291 or go to: [http://info.piercecollege.edu/departments/cooped/](http://info.piercecollege.edu/departments/cooped/)

Enrollment is by ADD CARD ONLY at class.

### Courses Offered on a “Credit-By-Exam” Basis

Students interested in receiving course credit by taking an exam should file a petition for Credit-by-Exam in the Admissions & Records Office. Details of the procedure and qualification requirements are on the petition and can be found in the college catalog. Courses offered on a credit by exam basis are subject to all applicable enrollment fees and non-residents tuition.

Important Information:

1. Pierce course credit is applicable to Pierce College Associate Degree major and/or certificate requirements only. Every college and university has its own policy for awarding credit for passed AP exams. Caution: Transfer students must check with the college or university they plan to transfer to for the institution’s Advanced Placement policy.

The University of California Advanced Placement Policy can be found on their website: www.universityofcalifornia.edu/educators/counselors/admininfo/freshman/advising/credit/aptest.html

CSU GE AP Policy: Complete details of the official CSU AP Policy can be found on CSU Chancellor’s website: www.calstate.edu/app/general_education.shtml

IGETC AP Policy: Complete details of the official IGETC AP Policy can be found on the IGETC Standards: www.ccctransfer.org/igetc.htm

The credit awarded on these general education plans and the course credit awarded by Pierce College (see below). Students must check the individual campuses to determine if any course credit will be awarded. Caution: It is rare that colleges and universities will allow a passed AP exam to fulfill a course requirement that is needed for the major. Consult a Pierce Counselor for help.

The California State University Advanced Placement Policy can be found on their website: www.calstate.edu/app/general_education.shtml

Private institutions also have their own AP policies that must be researched. Consult a Pierce Counselor for help.

2. CSU GE Breadth Certification Plan and IGETC Applicability: This information represents how students who plan to transfer to a UC or CSU campus, and who are following either the CSU GE Breadth Certification Plan or the IGETC, may count passed AP exams toward fulfillment of subject areas on each of these plans. There is no relation between the credit awarded on these general education plans and the course credit that each UC and CSU campus may award. Further, there is no relation between the credit awarded on these general education plans and the course credit awarded by Pierce College (see below).

Advanced Placement Information (Continued)

IGETC AP Policy Notes (see chart):

@ Current Pierce College policy will not allow students who scored a 3 on either of the English Advanced Placement exams to progress to IGETC Area 1B: Critical Thinking and English Composition. Students who scored a 3 on either of the English Advanced Placement policies have the following options for completing the IGETC Area 1B requirement:

1. Take a course to meet IGETC 1B at any of the other eight campuses in the Los Angeles Community College District. All eight campuses will allow students who scored 3 or higher on either of the English AP exams to enroll in an IGETC 1B course. West Los Angeles has online courses available that satisfy IGETC 1B. Warning: Be sure to follow the IGETC plan at each college you attend.

OR

2. On a case-by-case basis, students who scored a 3 can meet with the Pierce English Department Chair or their designee, and complete a written assignment. The English faculty member will determine whether the completed assignment demonstrates the knowledge and skills necessary to succeed in a course(s) requiring English 101 as a prerequisite. At the faculty members discretion, they can clear the student to enroll in a course that meets IGETC 1B.

OR

3. Students who scored a 3 may choose to enroll in English 101 at Pierce. However, the UC and CSU campuses may not grant unit or course credit for English 101. The IGETC Standards v1.0 states: "Students who have earned credit from an AP exam should not take a comparable college course because transfer credit will not be granted for both." Students cannot choose which they want credit for, the AP exam or the course. The university will give credit for what was first passed. In this case, it will be the AP exam.

TM For AP exams in Environmental Science; Physics C: Mechanics; and Physics C: Electricity/Magnetism; 3 semester or 4 quarter units are applied for IGETC certification; therefore, students who complete these exams will be required to complete at least 4 semester or 5 quarter units to satisfy the minimum required units for IGETC Area 5.

CSU AP Policy Notes (see chart):

* Areas of CSU GE Breadth (A1 through E) are defined in CSU Executive Order 1033. Areas of American Institutions (US-1 through US-3) are set forth in Sections 1A and 1B of CSU Executive Order 405, and at www.assist.org.

† These units count toward CSU eligibility for admission. The units may not all apply toward CSU certification of the corresponding GE-Breadth area. See CSU Executive Orders 1033 and 1036 for details.

^ CSU policy: If a student passes more than one AP exam in calculus or computer science, only one examination may be applied to the baccalaureate.

% CSU policy: If a student passes more than one AP exam in physics, only six units of credit may be applied to the CSU baccalaureate, and only four units of credit may be applied to a certification in GE Breadth.

Pierce College Course Credit applicable to Associate Degree major and/or certificate requirements only:

This course credit is not applicable to Pierce College Associate Degree general education requirements or units awarded. For this information, reference the AP chart on the previous pages. Additionally, Pierce course credit is in no way related to the AP policy of the CSU GE Breadth Certification Plan or the IGETC. For these policies, consult the AP chart on the previous pages.

Student Information Guide
Registration in Pierce College Classes

Please read the Pierce College schedule and catalog carefully. It is your responsibility to be aware of the college's rules and regulations.

Registration Information

- Unit Load Limits - A full-time student is a student enrolled in 12 units or more. A student may enroll in a maximum of 18 units during registration. Students may petition to add more units during the week before the semester starts and the first two weeks of the semester. A 3.0 GPA in 12 college units is required.
- You may enroll for only one section of each course except for selected physical education classes. You may not enroll in classes which meet at the same time or overlap in time.
- Students are responsible for having their Add Permit processed in the Admissions & Records office.
- Many courses listed in the Schedule of Classes have prerequisites. These are requirements that are necessary for enrollment and successful completion of the courses. Proof of having met the prerequisite must be established prior to registration.
- Students remain financially responsible for the enrollment fee and tuition charges unless they drop by the refund deadline.
- Students who fail to attend the first class meeting may forfeit their place in the class.
- Please read the Pierce College schedule and catalog carefully. It is your responsibility to be aware of the College's rules and regulations.

English Placement Process

The results of the English Placement Process or a valid English Enrollment Authorization Form must be on file in order to enroll in English 21, 28, English 82, 84 – 87, or English 101 and above.

All students planning to enroll in an English course for the first time are expected to complete the English placement process at the Pierce College Assessment Center (Student Services Building). Please visit the Assessment Center website for sample tests and appointment information. Placement results or prerequisite courses taken at other colleges may be presented to the Assessment Center to be substituted for the Pierce English Placement process.

Upon completing the process, students are advised of their placement and given an authorization to enroll in that course. Students seeking an explanation of their scores or authorization to enroll in a course other than that in which they have been placed must meet with an English Department advisor.

Students need to provide evidence of prerequisite completion either through coursework in the Los Angeles Community College District, by completing the Pierce College English Placement process, or through transcripts from other schools presented at the Counseling Office.

Mathematics Placement Process

All students who have not completed a college mathematics course are expected to complete the Mathematics placement process at the Pierce College Assessment Center located in the Student Services Building. Please visit the Assessment Center website for sample tests and appointment information. Review is essential, because the test cannot be taken again for six months.

Placement tests are given at four levels: Algebra Readiness, Elementary Algebra, Intermediate Algebra, and Precalculus. After completing the test, students are advised of their placement and given an authorization to enroll in that course. Students who wish to challenge the recommendation of the assessment test should consult a Mathematics Department advisor.

All sample tests can be downloaded from the internet, including English, Math and Chemistry exams, at www.piercecollege.edu/offices/assessment_center/.

Adding Classes

To add a class that’s closed during registration, contact the instructor of the class at the time the class is scheduled to meet. Students accepted by the instructor will be given an Add Permit. Take the Add Permit to the Admissions and Records Office for processing. The deadline to add classes is February 20. Please be prepared to pay any additional fees when adding classes.

Waiting Lists

Please note that some departments utilize a wait list system to prioritize the way students can be added to a class that has become closed due to the enrollment reaching the limit (the class stays closed even if students drop the class). In this situation, a wait-listed student will need to attend the first session of a class in order to get a signed add card from the instructor if there is room in the class for the student to be added. Other departments do not utilize a wait list system. In this case, the system allows students to enroll in a course through the online registration portal, on a first-come first-served basis, the moment a seat becomes available in the course due to a student dropping out. This option, however, is only available until the day before classes begin. After that, interested students will need to attend the first day of class and the instructor will give them a signed add card should there be room in the class to add the student.

Cancelled Classes

Due to budget limitations some courses listed in this schedule may be cancelled. If a class has been cancelled you will be notified on the internet system when you attempt to register. If a class is cancelled after you have enrolled, you will be notified by email.

Auditing

Students may be permitted to audit a class for no credit with no grade under the following conditions:

1. Payment of a fee of $15 per unit. Students enrolled in classes to receive credit for ten or more semester units in the current semester shall not be charged a fee to audit three or fewer semester units per semester.
2. No student auditing a course shall be permitted to change his or her enrollment in that course to receive credit for the course. In addition, auditing fees are not transferable.
3. Priority in class enrollment shall be given to students desiring to take the course for credit.
4. There is no refund of audit fees except when the class is cancelled.
5. Auditing fees are not transferable.
6. Financial aid will not pay for auditing.
7. Audit fees are not waived for concurrently enrolled high school students.

The last day to submit an Audit Card is February 21.

Basic Skills Enrollment Limitation

Title 5, California Code of Regulations, limits student from taking more that 30 units of “remedial” course work, which is defined as “nondegree-applicable basic skills courses.” Effective Winter 2010, the college’s registration system will prevent students, who have exceeded this limit, from enrolling in additional basic skills courses. However a student, who has reached this limit but enrolls in a credit or noncredit English as a Second Language (ESL) course, will be allowed to enroll in additional basic skills courses. Students with a learning disability may request an exemption through the Disabled Student Programs and Services (DSPS) Office. Also, this limitation does not apply to enrollment in noncredit basic skills courses.
Student Rights and Legal Protections

Equal Opportunity Compliance

The Office of College Compliance ensures Pierce College’s commitment to provide a quality education, as well as equal opportunity employment, to all the communities - students, faculty and staff - it serves by maintaining an environment free from harassment and discrimination.

The OCC website can be accessed through the college’s site at www.piercecollege.com under Faculty and Staff or directly at www.piercecollege.com/oc/c.

For more information, contact the College Compliance Officer at (818) 710-2508. In addition, inquiries may be directed to the District Office of Diversity Programs at (213) 891-2315.

Nondiscrimination Policy

All programs and activities of the Los Angeles Community College District shall be operated in a manner which is free of discrimination on the basis of race, color, national origin, ancestry, religion, creed, sex, pregnancy, marital status, medical condition (cancer related), sexual orientation, age, disability or veteran’s status (Reference: Board Rule 15001 et seq.).

Americans with Disabilities Act (ADA) and California State Law

In accordance with the requirements of Title II of the Americans with Disabilities Act of 1990, the Fair Employment & Housing Act (FEHA), Government Code Section 11135, and other applicable codes, the Los Angeles Community College District and Pierce College do not discriminate against individuals on the basis of disability in its services, programs, or activities.

In order to ensure that people with disabilities have an equal opportunity to participate in all of its programs, services, and activities, Pierce College will make reasonable modifications to policies and practices, as well as, provide appropriate aids and services leading to effective communication, including sign language interpreters, documents in Braille and other alternate formats to ensure information is accessible to people who have speech, hearing, vision, or cognitive impairments.

Anyone who requires auxiliary aids and services for effective communication, or a modification or policies or procedures should communicate with the responsible department or event contact as soon as possible, but no later than three (3) days before the scheduled event. No surcharge will be placed to cover the cost of providing auxiliary aids or making reasonable modifications to create access.

In terms of employment, Pierce College does not discriminate on the basis of disability in its hiring or employment practices and will comply with the Fair Employment and Housing Act, as well as, the ADA Title I including the regulations promulgated by the U.S. Equal Employment Opportunity Commission (EEOC) and the requirement to provide reasonable accommodation.

Neither the ADA, nor state law, requires Pierce College to take action that would fundamentally alter the nature of its programs, activities or services or impose an undue financial or administrative burden. The Office of College Compliance has been designated to coordinate the services or impose an undue financial or administrative burden. Neither the ADA, nor state law, requires Pierce College to take action that would fundamentally alter the nature of its programs, activities or services or impose an undue financial or administrative burden. The Office of College Compliance has been designated to coordinate the College’s compliance with the ADA and with Sections 504 and 508 of the Rehabilitation Act of 1973. Complaints that a program, activity or service of Pierce College is not accessible should be directed to the Compliance Officer/ADA Coordinator, Sylvia Silva, HR Office, (818) 710-2508 (voice), (818) 710-4220 (TTY) or compliance@piercecollege.edu. Additional information may be obtained by visiting the Compliance website at www.piercecollege.edu/offices/compliance.

Student Directory Information

Los Angeles Pierce College considers the following information relating to a student to be “directory information”: name, city of residence, participation in officially recognized activities and sports, weight and height of members of athletic teams, degrees and awards received, dates of attendance, and most recent previous educational agency or institution attended by the student. Students who do not wish the above categories of information to be given out should so indicate on the Release of Directory Information form in the Admissions Office.

In addition, branches of the U.S. military are entitled to receive the following student information: student directory information as defined above, student address, telephone number, date of birth, and major field of study. This information will not be released if you so indicate on your Application for Admission.

The College Foundation is entitled, with your permission, to receive the following student information: student’s name, address and telephone number. The College Foundation is not entitled to release your student information to third parties. This information will not be released if you so indicate on your Application for Admission.

Other colleges and universities may also receive mailing information if you agree to release it on your Application for Admission.

Privacy of Student Information

The Los Angeles Community College District is committed to protecting student privacy. Social security numbers are not used as the primary method of student identification.

Family Education Rights And Privacy Acts

The Family Educational Rights and Privacy Act (FERPA) affords students the following rights with respect to their educational records:

1. The right to inspect and review the student’s education records within 45 days of the day the college receives a request for access. Students may submit to the College Admissions Office written requests that identify the specific record(s) they wish to inspect. Within 45 days, the College Admissions Office will make arrangements for access and will notify the student of the time and place where the records may be inspected.

Educational records are those records that are directly related to students and are maintained by the College. Students may not inspect education records pertaining to parents’ financial records and certain confidential letters or recommendations.

2. The right to request an amendment of the student’s educational records which the student believes to be inaccurate, misleading or otherwise in violation of the student’s privacy rights.

With the exception of grade grievances, which are handled through Administrative Regulation E-55, students may ask the College President, or his/her designee to amend a record that they believe is inaccurate, misleading, or in violation of their privacy rights. A student seeking to amend an educational record should write to the College President and clearly identify the part of the record he/she wants changed, and specify why it is inaccurate, misleading, or in violation of his/her privacy rights.

If the College President, or his designee, decides not to amend the record as requested by the student, the College, in accordance with section 99.21 of the Code of Federal Regulations and section 76232 of the Education Code, will notify the student of the decision and of his/her right to a hearing.

3. The right to consent to disclosures of personally identifiable information contained in the student’s education records, except to the extent that FERPA and California law authorize disclosures without consent.

If a student authorizes the release of his/her education record to a third party, he/she shall provide a dated written consent to the College Admissions Office authorizing said release with a specific list of the information to be released.
Federal and California law authorize certain disclosures of personally identifiable information without a student’s written consent. One such exception is the disclosure of personally identifiable information to school officials with legitimate educational interests. School officials with legitimate educational interests are employees or agents of the Los Angeles Community College District who need to review educational records in order to fulfill their professional responsibilities.

(4) The right to restrict disclosure of personally identifiable information that the College has designated as directory information which may be released without the written consent of the student:

Directory information may be disclosed without a student’s consent unless the student has notified the college that he/she does not want all or portions of the directory information released. To do so, the student must submit the appropriate District form to the College Admissions Office requesting that some or all of the categories of directory information not be released without his/her consent. This form must be submitted in accordance with College policy.

Pursuant to Board Rule 5201.10, the Los Angeles Community College District has designated the following student information as directory information:

(a) The student’s name, city of residence, participation in officially recognized activities and sports, weight and height of members of athletic teams, dates of attendance, degrees and awards received, and the most previous educational agency or institution attended by the student;

(b) Student employee records may be released in order to comply with collective bargaining agreements;

(c) The names, addresses and telephone numbers of students or former students may be released to the foundation for each college for college-related activities at the discretion of the College President, unless the student or former student has informed the College that such information should not be released. The release of this information is conditioned upon the foundation’s agreement that such information will be released in accordance with District policy and that information will not be released to third parties;

(d) At the discretion of the College President, the names, addresses and telephone numbers of students from the College may be released to heads of private and/or public institutions of higher education, or their designees, for the purpose of providing information to students regarding transfer opportunities to those institutions, unless the student has indicated that such information should not be released. The release of this information will be conditioned upon the institution’s agreement that student privacy rights under federal and state law will be protected and that information will not be released to third parties.

(5) The right to file a complaint with the U.S. Department of Education concerning alleged failures by the College to comply with the requirements of FERPA.

The name and address of the Office that administers FERPA are:

Family Policy Compliance Office
U.S. Department of Education
400 Maryland Avenue, SW
Washington, DC 20202-4605

Unauthorized Release of Student Records

Release of student records by faculty members to third parties, which includes parents and other family members, without a student’s written permission or in the absence of a judicial order is prohibited by the California Constitution and the Education Code.

Sexual Harassment Policy

The policy of the Los Angeles Community College District is to provide an educational, employment and business environment free from unwelcome sexual advances, requests for sexual favors, and other verbal or physical conduct or communications constituting sexual harassment. Employees, students or other persons acting on behalf of the District who engage in sexual harassment as defined by the District’s policy or by state or federal law shall be subject to discipline, up to and including discharge, expulsion or termination of contract.

The specific rules and procedures for reporting charges of sexual harassment and for pursuing available remedies are incorporated in the LACCD Board Rules, Chapter 15. Copies of the policy may be obtained from the College Compliance Officer at (818)710-2508, and the District Office of Diversity Programs at (213) 891-2315.

Sexual Assault

The Los Angeles Community College District is committed to providing a safe environment for its students, faculty, and staff. The Los Angeles Community College District Board of Trustees condemns any act of sexual assault committed on any of its facilities. In the event of sexual assault committed on grounds or in facilities maintained and/or used by the District, any victim of a sexual assault who is one of the District’s students, faculty, staff, or visitors shall promptly receive appropriate treatment and full and accurate information. Individuals who commit sexual assault while on properties within the control of the District shall be subject to appropriate criminal prosecution and/or District disciplinary procedures. Confidentiality is fundamental to all aspects of cases dealing with sexual assault. The names of sexual assault victims shall not be revealed by persons responsible for implementing and enforcing the provisions of this chapter, except with the consent of the victim or legal compulsion. Victims of sexual assault may obtain a list of referrals to community agencies from the campus police office.

Notice to Sex Offenders

California law requires that certain statutorily defined sex offenders notify community college law enforcement officials that they are present on campus in specific capacities. If you fall into this category, you must register with the College’s Sheriff’s Office.

Campus Parking, Traffic And Safety Regulations

Access to campus is limited on weekends and at night. The campus is closed from 11:00 p.m. to 6:00 a.m. Only the Winnetka entrance will be open on weekends and holidays.

Enforcement of Traffic and Parking Regulations

The maximum speed limit is eight [8] miles per hour on all parking facilities and 25 miles per hour on campus roads unless posted.

All persons driving a vehicle on the campus are required to comply with the traffic laws of the State of California and the rules and regulations pursuant to Section 21113A of the California Vehicle Code. Violations of any of the regulations set forth below may result in a citation being issued.

Section 21113A. CVC grants the President of Pierce College authority to regulate and impose special conditions regarding traffic and parking regulations which include the authority to have vehicles which block traffic flow and pose a safety hazard, or are abandoned with no license, towed away at the owner’s expense.

Vehicles parking in areas designated as tow-away zones will be towed away, no exceptions. Please check fences and curbs for tow-away signs. ALL POSTED CAMPUS TRAFFIC AND PARKING REGULATIONS WILL BE ENFORCED. Parking on campus is a privilege and permission to park may be revoked at any time.

Pierce College assumes no responsibility for damage to any motor vehicle, theft of its contents, or injury to persons operating such vehicles on or off the campus.
Bicycle Safety Rules
1. Ride with the traffic, obeying all traffic rules as you would on a public highway as per Section 21200 of the California Vehicle Code. It is your responsibility to watch out for pedestrians.
2. Bicycle racks are provided various locations on the campus. Lock your bicycle to the rack to help prevent theft.
3. No bicycle riding is permitted on pedestrian sidewalks and mall walkways. Riding on sidewalks adjacent to classrooms, library, gyms, gardens, grass areas, or in any other college facilities is also not permitted. Walk your bike within these areas at all times.
4. You are strongly advised to lock your bicycles to bike racks which are provided near the entrances to the campus. If bicycles are chained to poles outside of the classroom they must be parked so that the bike does not obstruct sidewalks.
5. Roller-skates, in-line skates and skateboards are not permitted anytime on the campus.

Cross Country Track and Adjacent Areas Closed from Dusk to Dawn
The area behind the Stadium which includes the Cross Country Track and adjacent walking and running areas will be closed from dusk to dawn each day. Signs have been posted in this area to alert users that this area is not available at night. Exceptions to this rule may be granted as long as they have been approved in advance by the College and the activities occurring within this area are being held within the instructional program.

Dogs are not permitted on campus. (except for seeing eye dogs)

Non-District Sponsored Transportation
Some classes may be conducted off campus. Unless you are specifically advised otherwise, you are responsible for arranging for your own transportation to and from the class site. Although the District may assist in coordinating the transportation and recommend travel times, route or caravanning, be advised that the District assumes no liability or responsibility for the transportation and any person driving a personal vehicle is not an agent of the District.

Student Right To Know: Completion Rates
Completion Rate: 25.42%
Transfer Rate: 14.58%
From 2007 COHORT Data

In compliance with the Student-Right-to-Know and Campus Security Act of 1990 (Public Law 101-542), it is the policy of the our college district to make available its completion and transfer rates to all current and prospective students. Beginning in Fall 2007, a cohort of all certificate-, degree-, and transfer-seeking first-time, full-time students were tracked over a three-year period. Their completion and transfer rates are listed above. These rates do not represent the success rates of the entire student population at the College, nor do they account for student outcomes occurring after this three-year tracking period.

Based upon the cohort defined above, a Completer is a student who attained a certificate or degree or became "transfer prepared" during a three-year period, from Fall 2007 to Spring 2010. Students who have completed 60 transferable units with a GPA of 2.0 or better are considered "transfer prepared."

Students who transferred to another postsecondary institution prior to attaining a degree, certificate, or becoming "transfer-prepared" during a five-semester period, from Spring 2008 to Spring 2010, are transfer students.

Student Right To Know: Campus Security
Campus crime statistics are published on the Pierce website at http://info.piercecollege.edu/offices/sheriff1 in accordance with the “Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act.” A paper copy of this information is also available from the Sheriff's Office at Pierce College upon request.
### Students Fees

#### Enrollment Fee

Enrollment fees are set by the California State Legislature and are subject to change.

Enrollment fees are due at the time of registration. California residents are charged a $36 per unit enrollment fee with no maximum per semester.

**Students remain financially responsible for enrollment fee and tuition charges unless they officially drop semester length classes by February 21.**

Students admitted as "Special Part Time Students Grades K-12" and enrolling in 11 or fewer units are exempt from enrollment fees charged for all terms (including summer) pursuant to Education Code section 76300.

#### Enrollment Fee Assistance

The Fee Waiver program waives the mandatory college enrollment fees required by the State of California. To be eligible for the Fee Waiver, a student must be a California resident. Students may apply for enrollment fee assistance by completing the Board of Governors Fee Waiver application, which may be located in the Schedule of Classes or may be obtained from the Financial Aid Office or may be downloaded from the Pierce College's Financial Aid Office website at [www.pierceschool.edu/offices/financial_aid](http://www.pierceschool.edu/offices/financial_aid).

Eligibility criteria for the Fee Waiver include the following:

1. Students or their families must be receiving TANF (Temporary Aid to Needy Families), CalWorks, SSI (Supplemental Security Income), or General Assistance. Students must provide documentation that they are currently receiving these benefits to qualify.

2. Student must meet the qualifying income bracket based on family size.

3. Dependents of Veterans, National Guard, or dependent of a deceased law enforcement/fire suppression personnel killed in the line of duty may also be eligible for the Fee Waiver.

Students who do not meet the criteria above may be eligible for the Fee Waiver based on financial need by completing the Free Application for Federal Student Aid (FAFSA) on-line at [www.fafsa.ed.gov](http://www.fafsa.ed.gov). You must include Pierce College's federal school code of 001226 on the FAFSA.

#### Enrollment Fee Refund Policy

For other than short-term classes, a full refund will be given up to February 21. Thereafter, no refund is authorized, except when college action to cancel or reschedule a class necessitates the drop.

For short-term classes, a full refund is authorized up to the end of a period of time equal to 10% of the total class time. Thereafter, no refund is authorized, except when college action to cancel or reschedule a class necessitates the drop.

Pierce College does not automatically drop students from a class for nonpayment of enrollment fees. Students remain financially responsible for the enrollment fee and nonresident tuition unless they officially drop through the Admissions and Records Office, or on the internet, by February 21. In addition, after the refund deadline, fees will not transfer when students add and drop classes, whether or not fees have been paid.

All fee refunds must be claimed in person at the Business Office.

*Please note that a $10 returned check charge is assessed for a check returned to the Business Office unpaid by the bank for any reason. A stop payment order on a check does not constitute an official withdrawal nor does it release the student's financial obligation for the fees. A student with an unpaid financial obligation will not be able to register for subsequent semesters.*
Audit Fee
The audit fee is $15 per unit. Students who are enrolled in ten units of credit or more may audit up to three units without charge. There is no withdrawal from an audit or refund of the audit fee. It is not possible to transfer from audit to credit enrollment. The last day to add as an auditor is February 21.

Non-Resident Tuition
The 2011-2012 non-resident tuition fee is $190 per semester unit for students who are non-residents from another state; $207 per semester unit for students who are non-residents from another country. This fee is subject to change each academic year.

Note: Non-resident students are also required to pay the $36 per unit community college enrollment fee. Non-resident tuition is due upon registration.

Beginning with the Summer 2008 semester, nonresident students who were admitted as “Special Part Time Students Grades K-12” will be subject to the nonresident tuition fee for all units taken.

Non-Resident Tuition Refund Criteria And Schedule
A non-resident student who formally drops or otherwise separates from part or all of his/her enrollment may request a refund of previously paid non-resident tuition in accordance with the schedule below. Such request must be made in writing on a form provided by the District.

The date used for non-resident refund purposes is the date on which such request is filed and time stamped, regardless of when separation may have occurred. All non-resident refunds will be made by mail.

Non-resident refunds will be computed as follows:

If college expenses have been paid by federal financial aid funds, any refund due will revert to the financial aid program rather than to the student. Expenses paid by financial aid may be subject to a special pro-rata refund calculation. Contact the Financial Aid Administrator for specific information regarding refund calculations for financial aid recipients.

Health Services Fees
The Los Angeles Community College District charges a $111 mandatory health fee, payable to one campus only, to cover the costs of health centers at each college. Exempted from the payment of these fees are: (a) students who depend exclusively on prayer for healing in accordance with the teaching of a bona fide religious sect, (b) students who are attending classes under an approved apprenticeship training program, (c) noncredit education students, (d) students enrolled in District colleges exclusively at sites where student health services are not provided, (e) students who are enrolled in District colleges exclusively through Instructional Television or distance education classes, (f) students who are enrolled in District colleges exclusively through contract education, (g) students admitted as Special Part-Time Students (K-12) or Special Summer School Students under the provisions of Board Rule 81001.01 or 81001.02.

Students exempted under the provisions of (b), (c), or (g) above are eligible to receive the services of the college health program; all other exempted students are not eligible to receive the services of the college health program unless they opt to pay the fee. (Board Rule 8502, amended 8-19-09)

International Student Medical Insurance (IMED) Fee
Effective Spring 2008 all F-1 international students were assessed a new mandatory fee for medical insurance (IMED), IMED insurance fees are estimated to be $657 per semester. Coverage is for a six month period based upon semester registration.

Parking Fee
A parking permit is required at all times when using campus parking facilities during regular school hours, 7 a.m. – 10 p.m., Monday through Friday. Permits are not required for Saturday or Sunday.

The Board of Trustees of the Los Angeles Community College District has authorized parking fees for all on-campus parking at district colleges.

To encourage membership in the Pierce College Associated Students Organization, the College Administration has entered into an agreement with the ASO whereby individuals who both pay the District parking fee and join the Associated Student Organization will receive as a benefit of membership preferred parking privileges on campus. Students displaying a preferred Student Parking Permit may park, if space is available, in all student parking lots, including the preferred lots (1, 3, 4, 6, 7, 8 and 9), as well as legally allowable street parking spaces. The non-preferred parking lots (permit required) are 5, and El Rancho Drive.

Preferred Parking Permit (ASO included) $27
Restricted Parking Permit $20
Duplicate charge for second car $27

Students who do not elect to purchase the Permit at the time of registration may do so at any time during the semester at the Business Office located next to the Student Store.

No refunds for parking will be issued after the second week of the semester.

Students who pay the parking fee will be issued a permit. This permit must be displayed clearly from the rear view mirror when parking in college parking lots.

It is the students’ responsibility to make sure they know the current parking rules and regulations. If you are not clear about the rules please contact the Sheriff’s Office on campus. It is also the students’ responsibility to make sure the current permit is visible to College Sheriffs. The college is not responsible for lost permits under any circumstances. There will be a $27.00 charge for all stolen or lost permits.

Note: The issuance of a parking permit does not guarantee the student a parking space, only the opportunity to park in an appropriate lot if spaces are available. Any vehicle parked in the areas without the proper permit appropriately displayed will be cited.

A STUDENT’S PIERCE COLLEGE PARKING PERMIT IS VALID AT EACH LOS ANGELES COMMUNITY COLLEGE DISTRICT CAMPUS AT WHICH THE STUDENT IS CURRENTLY ENROLLED IN CLASSES.

Please refer to the “Campus Parking, Traffic and Safety Regulations” for more detailed information.
Student ID Cards
All new and returning students will be issued a picture ID card. Continuing students should bring their ID card to the Business Office and present it when paying fees.

ID cards serve as official identification for access to college programs and services including the Student Store, Library, and Learning Center. A $5 fee is charged for replacement of lost cards.

Associated Students Organization Fee
Membership fee is $7 per semester. Membership in the Associated Students Organization is not mandatory. See catalog for complete Associated Students Organization information. Also see note regarding restricted parking. Preferred parking privileges are available only to ASO members.

Open Access Lab Fee
A $5 fee is required for printing documents in the Open Access Labs. These Labs may include, Center for Academic Success, English Writing Lab, Computer Science Lab, Business Department & Office Administration Labs. Please pay these fees at the Student Store.

Instructional Materials
Students may be required to provide instructional and other materials for a credit or non-credit course. Such materials shall be of continuing value to a student outside of the classroom setting and shall not be solely or exclusively available from the District.

Refunds
- Cash or checks - All refunds of payments will be made by check. No cash refund will be made. A waiting period is imposed to allow a check to clear the bank before a refund may be issued. This period varies, but it takes approximately three weeks from the date the check is received by the College Business Office or Student Store.
- Credit Cards - A credit will be issued through the credit card agency and must be claimed in person at the Business Office.

Check Acceptance Policy
YOUR CHECK IS DEPOSITED ON THE SAME DAY ELECTRONICALLY AND FUNDS ARE WITHDRAWN ON THE SAME DAY.

Check Types Accepted
The Electronic Check Service only accepts:
- Personal checks

Check Types That Are Ineligible
In Accordance with the NACHA rules, the Electronic Check Service does not accept:
- Checks not pre-printed
- Business/Corporate checks
- Third – party checks

For questions please call: Business Office (818) 719-6432

Returned Check/Stop Payment Charge
There is a charge for each check returned by the maker’s bank or if payment is stopped by the maker. Currently this charge is $10, but is subject to change without notice.

In addition, the college reserves the right to refuse acceptance of a check from an individual who previously had his/her check returned by the maker’s bank to this college or any of the other eight colleges in the L.A. Community College District. Students remain financially responsible for the enrollment fee and non-resident tuition unless they officially drop classes through the Admissions and Records Office by the end of the second week of the semester.

Career and Transfer Center
The purpose of the Career and Transfer Center is to provide information to help students make decisions about career choices, programs of study, and transferring to four-year colleges and universities. A library of occupational information and current college catalogs, and other materials, are available for student use. The Career and Transfer Center also coordinates visits by college and university representatives and schedules workshops and presentations on various topics related to careers, majors, and the college application process. Career counseling, including career assessments, is available to help students determine appropriate occupational and educational goals.

Some of the Workshops & Services offered by the Center
- Specialized workshops for various fields of study
- Career exploration and self-assessment activities
- Assistance with college applications and financial aid

Center for Academic Success (CAS)
The Center for Academic Success provides services to enhance student success in the class-room. All services are free to currently enrolled Pierce College students. Free Services include: computer assisted learning programs, and subject area tutoring and workshops.

Subject Area Tutoring (VLGE 8401)
Hours: Monday – Thursday 8:00am – 4:00pm
The tutorial program offers free individual and group tutoring in a variety of subjects. Tutoring is done by appointments; walk-ins will be seen on a first-come first-served basis, if tutors are available. Check the CAS website (www.piercecollege.edu/student/cas) for more information, or call (818) 719-6414.

Math Tutoring (VLGE 8402)
Hours: Monday – Thursday 8:30am – 5:00pm

Child Development Center
CAMPUS CHILD DEVELOPMENT CENTER
Northwest corner of Mason Ave. and Olympic Drive. Entrance is located on Olympic Drive. (818) 719-6494

The Campus Child Development Center serves two primary purposes: 1) To provide a high quality preschool level program for the children of Pierce students, and 2) To provide a model program as a fieldwork site for observation and practicum students studying Child Development and related fields.

The Campus Child Development Center offers a developmentally appropriate program for children who are 2.9 years of age, and toilet trained, through 5.5 years of age, whose parents are enrolled at Pierce College. The Center runs primarily as a State Preschool program, with subsidized funding from the California State Department of Education. Parents must qualify under State income ceilings and verified need. We also have a small tuition based program.

The Center is currently open Monday through Friday, 7:45 a.m. - 4:00 p.m. We offer two sessions, both of which are five days per week: Morning session - 8:00 a.m. - 12:30/1:00 p.m., and an All Day session - 8:00 a.m. - 3:00/4:00 p.m. The ending time of the sessions is based on the verified parent's need. Our program is staffed by highly educated and experienced teachers and offers a minimum teacher-child ratio of 1:7.

The Campus Child Development Center is also utilized as a primary observation and practicum site for students studying Child Development and related fields. Adult students have an opportunity to observe and/or gain experience working with young children as they study to become Early Childhood Educators and Directors.

Counseling
Students are urged to see a counselor once each semester or as needed. Counselors provide academic, career and personal counseling.

These services are available to students from 8 a.m. to 7:30 p.m., Monday through Thursday and from 8 a.m. to 3:30 p.m., Friday in the Counseling Department Office located on the first floor of the new Student Services Building. To avoid the pre-registration rush, all students are encouraged to make counseling appointments, available online, early in the semester or to come in and see a drop-in counselor.

Personal Counseling
The Counseling Center provides personal counseling for students whose problems are interfering with their academic, career and/or social functioning. This service is provided by designated counselors in Counseling, Special Services, and EOP&S. The Counseling Center is located in the Student Services Building.

Examples of problems for which personal counseling is available include depression, anxiety, thoughts of suicide, relationship issues, sexual and/or physical abuse, substance abuse, eating disorders, and others.

For appointments please call (818) 719-6440 or drop by the Counseling Center.

Disabled Students Programs And Services
Students with physical, learning or psychological disabilities are offered a wide range of services including registration, special parking and counseling. These services are also available to students with a temporary disability such as injury or post-operative recuperation. All services and equipment are provided free of charge to any qualifying disabled student.

Deaf and learning disabled students are offered additional services including special classes, tutoring and computer-assisted instruction.

The Disabled Students Office (Special Services) is located in the Student Services Building, Room 176. The office is open Monday and Friday 8:00 to 4:00, Tuesday, Wednesday and Thursday 8:00 to 5:30.
Services for Students

Services include but are not limited to:
- Interpreter services for the deaf
- Note taking services
- Mobility assistance
- Specialized tutoring
- Registration assistance
- Special parking areas
- On-campus transportation
- Academic and career guidance
- Special equipment including:
  - print magnifier
  - specially adapted computers
  - manual and electric wheelchairs
- Test proctoring

Extended Opportunity Program And Services (EOP&S) And C.A.R.E.

Extended Opportunity Programs and Services (EOP&S) is a state-funded comprehensive support system which recruits and assists qualified low-income students who have educational disadvantages. EOP&S provides academic counseling, career exploration, tutoring, priority registration, book grants, and workshops aimed at helping students succeed in college. Participants must be full-time students. C.A.R.E. (Cooperative Agencies Resources for Education) assists single parents of children under the age of 14 who receive Temporary Aid to Needy Families (TANF). C.A.R.E. students must qualify for EOP&S.

EOP&S is located in the Student Services Building, second floor. Office hours are: Monday thru Friday 8:00 a.m. - 4:00 p.m.

Financial Aid

Regular Office Hours:
- Monday & Tuesday 8:00 am to 4:00 pm
- Wednesday & Thursday 8:00 am to 6:00 pm
- Friday 8:00 am to 2:00 pm

Location: Student Services Building, 2nd Floor
Phone #: 818-719-6428  FAX #: 818-704-8221
Website: www.piercecollege.edu/offices/financial_aid
Email: pierce_finaid@piercecollege.edu
Federal School Code: 001226

The purpose of the financial aid program is to provide financial assistance to students who, without such aid, would be unable to attend college. Although it is expected that students and parents will make a maximum effort to meet the cost of education, financial aid is available to fill the gap between family resources and the actual educational expenses. Financial aid is meant to supplement the family’s existing income/financial resources and should not be depended upon as the sole means of income to support other non-educational expenses.

Financial aid is available from various sources such as federal, state, institutional, community organizations and individual donors. Financial aid can be awarded in the form of grants, loans, work-study, scholarships, or a combination of these.

A student must submit all required documentation in the Financial Aid Office to be considered for any financial aid program. Completing the Free Application for Federal Student Aid (FAFSA) is the first step in applying for financial aid. Complete information on the available sources of financial aid at Pierce College can be obtained in the Financial Aid Office or by visiting our website.

Please follow the deadlines below:
- March 2, 2011— Cal Grant deadline and application priority deadline
- April 1, 2011— Established priority funding deadline for limited funded financial aid programs
- May 1, 2011— Established priority deadline to submit required documents to the Financial Aid Office
- Sept. 2, 2011— Extended competitive Cal Grant deadline for community college students

To be considered for financial aid, students must meet the following minimum requirements:
- Be a U.S. citizen or an eligible non-citizen. An eligible non-citizen is a U.S. permanent resident who has documentation from the Department of Homeland Security verifying that his/her stay in the U.S. is for other than a temporary purpose.
- Demonstrate financial need.
- Be enrolled as a regular student in an eligible program of study.
- Be making Satisfactory Academic Progress in a course of study leading to a Certificate, AA or AS Degree, or Transfer Program.
- Not be in default on any student loan such as Federal Perkins Loans, Federal Stafford Loans (subsidized and unsubsidized), Federal Direct Loans (subsidized or unsubsidized), or Supplemental Loans to Assist Students (SLS) at any college attended.
- Not owe a refund on a Federal Pell Grant, Federal Supplemental Educational Opportunity Grant (FSEOG) or Academic Competitiveness Grant (ACG) or SMART Grant.
- Be registered with Selective Service if you are male between age 18 and 26.
- Have a valid Social Security Number (SSN).
- Demonstrate an ability to benefit as defined below.
  - Received a high school diploma; or
  - Passed a high school proficiency examination; or
  - Received a Certificate of General Educational Development; or
  - Passed an independently administered test that is approved by the Secretary of the U.S. Department of Education provided the student is at least eighteen (18) years old.

The amount of financial aid offered to students is determined by the difference between their educational expenses and the financial contribution their families can make toward these expenses, which is referred to as "financial need". Once financial need is determined, an Aid Offer is assembled consisting one or more of the following types of financial aid programs:

1. GRANTS – A grant is a form of financial aid that typically does not have to be paid back. It is the best type of aid you can receive. Apply as early as possible since some grant funds are limited. The following are various types of grants:
   a. Federal PELL Grant
   b. Federal Supplemental Educational Opportunity Grant
   c. Cal Grant B or C
   d. Iraq/Afghanistan Service Grant

2. WORK-STUDY – This program provides part-time employment opportunities to students who have financial need. Eligible students may work up to 20 hours per week.
3. **FEE WAIVER** – this program is a state funded program that waives the enrollment fees for California residents who meet the requirements.

4. **STUDENT LOANS** – Federal student loan is a financial aid program available to students who demonstrate financial need while attending college at least half-time (6 or more units). Student loans must be repaid.

5. **SCHOLARSHIPS** – There are numerous local and national scholarship opportunities available in the form of free money.

**Consequences of Withdrawing**

Students who receive financial aid and then withdraw from all or part of their classes may have to repay all or some of the financial aid funds received. The repayment period will begin for students who borrowed federal student loans if enrollment is less than half-time. Please note that withdrawing from classes may affect the Satisfactory Academic Progress (SAP) for future financial aid eligibility.

Students who received federal financial aid and withdrew from all classes in the first 60% of the semester are subject to Return to Title IV Regulation. The Financial Aid Office is required to calculate the amount of federal funds earned by the student up to the point of withdrawal and students will be billed and must repay any unearned federal funds received but not earned, as well as institutional charges if applicable.

If the student owes a repayment of federal and/or state financial aid funds due to withdrawal of a class or Return to Title IV regulation, a hold will be placed on the student's academic record until the debt is repaid. A hold on the academic record will mean a student will not be able to register for classes for a subsequent semester. If the student is considering withdrawing from classes, please contact the Financial Aid Office first. We may be able to provide you advice that will help avoid a repayment.

**GAIN/CalWORKs Program**

The GAIN/CalWORKs Program serves students who are currently receiving CalWORKs for themselves and at least one child under the age of eighteen, and have, or are in the process of developing, a county welfare-to-work plan.

The program helps students achieve their academic and career goals through supportive services such as:

- Case management and advocacy
- Books & supplies, fees, tools and uniforms, in partnership with Los Angeles County.
- Academic Counseling
- On-campus child care for eligible children
- Work-study opportunities
- Completion and certification of required GAIN and Child Care Resource Center forms
- Informative workshops
- Coordination with other college Student Services programs
- Referrals to community agencies for legal, counseling, domestic violence and social services

The GAIN/CalWORKs Program is located in the Student Services Building, second floor. For more information, please call 818-719-6400.

**Health Services**

A variety of health services are available at the Student Health Center located in the Student Services Building. The center provides first aid, crisis intervention, health assessment, health counseling, health referrals and health information. Students are welcome to drop in or call 710-4270 for an appointment to see a physician, the college nurse, nurse practitioner or psychologist.

The Student Health Center can provide low cost family planning services, extensive gynecological care, and the testing for, diagnosis of, and treatment of sexually transmitted diseases. Most bacterial infections can be treated with low-cost antibiotics that the Health Center can supply. Free condoms and over-the-counter medications are also provided on an as needed basis.
Services for Students

Consultation and/or referral regarding personal and emotional problems affecting a student's educational progress are available through the Student Health Center or the Counseling office. In addition, a licensed psychologist is available to students for short-term personal counseling. Appointments are made through the Health Center at 710-4270.

It is strongly urged that an identifying emblem be worn by persons with any medical problems or allergies. Students with known physical impairments must limit enrollment to courses in which they may participate with safety.

Students are encouraged to obtain a medical insurance plan. Several commercial student sickness, accident and dental plans are available. Information and applications for plans may be obtained in the Student Health Center or online at piercecollege.edu/offices/health_center.

Students who need medical assistance when the Student Health Center is closed should contact the Campus Sheriff at (818) 710-6450.

Students participating in competitive sports are required to have a physical exam. The Health Center is not able to offer sports physicals based on restrictions found in the Education code. Students should contact their coach/trainer for information regarding physical exams.

Communicable Disease/AIDS Information

1. Information on communicable diseases/AIDS can be obtained in the Student Health Office. Staff and students will also be referred to off-campus agencies.
2. Information may also be obtained from the County Health Department.
3. Free and confidential HIV testing is periodically available throughout the year. Contact the Health Center at 710-4270 for more information.

Instructional Media Center

The Instructional Media Center is located on the ground floor of the library. Office hours: 8:00 a.m. to 10:00 p.m. Monday through Thursday, 8:00 a.m. to 3:45 p.m. Friday.

Students may receive supplemental instruction in language, history, media arts, and other disciplines using the Media Center's audio and video library. Faculty may check out instructional materials such as VHS tapes and DVD's for use in their classes. Students are encouraged to supplement their studies by using the services of the Instructional Media Center.

Intercollegiate Athletics

The intercollegiate athletics program is an integral part of the total college program. Sports offered for men include baseball, basketball, football, swimming, tennis, and volleyball. Sports offered for women include soccer, softball, swimming, volleyball, and basketball. All questions pertaining to athletic eligibility should be directed to the Athletic Director or to the college administrator responsible for Athletics.

International Students (Non-Immigrant/F-1 Visa)

Pierce College defines an "international student" as a person who is attending the college while on an F-1 Student Visa. The international student application is available in the International Student Admissions Office (Student Services Building – 1st floor) and online: http://www.piercecollege.edu/offices/international_students/. Applications must be submitted by the deadline dates as stated in the Schedule of Classes Calendar.

The International Student Services Office (Student Services Building – 2nd floor) provides the following support for current students: orientations, workshops, F-1 visa status advice, document preparation and academic counseling.

In order to maintain F-1 visa status, all international students are required to complete a full-course load (12 units) every fall and spring semester. Students must receive written authorization from a Designated School Official (DSO) before dropping below a full-course load. Winter and summer sessions are optional.

F-1 Visa students from other schools may be eligible to enroll at Pierce College on a limited basis. Please consult with the International Student Admissions Office before enrolling.

Learning Disabilities Program

The Learning Disabilities Program was created to provide college students with a verified Learning Disability access to the essential accommodations needed for success in college classes. Many LD students continue to need help in basic literacy tasks like reading, writing, or mathematics through individualized learning techniques in order to realize academic and vocational success.

If registered students suspect they may have an undisclosed Learning Disability, they may request an assessment that will rule in or rule out the disability. Students’ academic problems are diagnosed, strengths identified, deficits determined and, if found eligible, the students are offered individualized prescriptive programs and accommodations designed to meet their specific learning problems.

All LD students are counseled about appropriate courses, including specialized courses within the Special Services Department that develop those skills needed to compete in mainstream classes. In addition, tutorial assistance is typically offered in selected areas of study. Often alternative media is available. Finally, specific accommodation is arranged with instructors.

Library

The Pierce College Library should be considered the first and best source for research materials. Students are encouraged to use this library for all their academic research and study needs. Faculty librarians are always available at the Reference Desk to assist students.

The Library has a very large collection of more than 100,000 books which are listed on the online catalog.

In addition, the Library provides access to thousands of ebooks and to electronic databases which contain millions of full text articles. Remote access to many of these databases is available to current Pierce College students through the Library's web page at www.info.piercecollege.edu/students/library.

For those who want to learn more about research strategies, the Library offers a one-unit online Internet Research Methods course, Library Science 102. Further information is available in the Library. Call (818) 710-2833.

Scholarships

Scholarship information is available in the Financial Aid, Scholarships and Veterans Department located in the new Student Services Building. The office maintains a list of scholarship information. Interested students are urged to contact the Financial Aid office for information and assistance.

Spring 2012 Schedule of Classes
Please note that while many scholarships are need-based, there are also merit-based scholarships that do not require applicants to be financially needy. Everyone is encouraged to apply for scholarships. Prospective applicants are advised to read the minimum requirements for each scholarship very carefully.

You may also visit the Financial Aid Office website and select “scholarships” for more scholarship listings at www.piercecollege.edu/offices/financial_aid.

Student Clubs and Organizations

Approximately 40 clubs and organizations are open to students who are members of the A.S.O. For club information visit the Student Activities Office in the Student Community Center.

Student Employment and Housing Services Employment (Job Center)

Students seeking employment are encouraged to use the employment services of the Job Placement Center. The office is well known in the business community and employers place job orders for skilled and non-skilled employment opportunities in diverse occupational fields. Referrals are available to all enrolled students and graduates for part-time, full-time, temporary and summer work. The office maintains a current list of job announcements from civil service agencies and schools. Information from a commercial computerized job listing service is also available. The Job Placement Center is also a satellite facility for the California Employment Development Department. http://info.piercecollege.edu/offices/jobcenter

Housing

The office maintains listings of room and board opportunities in nearby private homes in exchange for work or for rent, as well as sharing situations with other students. The college does not inspect accommodations that are listed and assumes no responsibility.

Hours

The Job Placement Center is located in VLGE 8200. Office hours: Monday thru Thursday 9-5. Phone: (818) 719-6453.

Student Government Associated Student Organization (A.S.O.)

The Associated Students Organization is a student-based group which provides the framework for all college student activities and whose sole purpose is to provide support for Pierce College students from a service and advocacy perspective. Through participation in activities such as the ASO Senate (student government), student clubs and special events on campus, students participating in the ASO gain experience in community service, enhance their social and cultural awareness, develop their leadership abilities and increase their sense of connectedness to their campus community. The ASO meets every Tuesday at 1:00pm in the ASO Office. Additional information regarding membership, becoming an ASO Senator, joining/creating a club, etc. is available in the Office of Student Activities in the Student Community Center. Everyone is welcome!

A.S.O. MEMBERSHIP FEES: $7 Per Semester

The ASO leases the student parking lots from the Los Angeles Community College District (LACCD). This arrangement allows the ASO to offer “preferred parking” permits to ASO members. When you purchase a “preferred parking” permit, the benefits include 1) the freedom to park in more convenient locations, 2) the opportunity to support the ASO and student activities at Pierce College, and 3) the ability to take advantage of various student discounts on campus.

General Information

A.S.O. Office – (located in the Student Community Center, south of the Library, Building 1900 on the Map Directory). This is where weekly ASO Senate meetings are held, Club Council meetings are held, ASO activities are based, and where the ASO Executive Officers are housed (ASO President, ASO Vice President of Senate, President of Club Council, ASO Treasurer). To reach the ASO Office directly, please dial (818) 719-6411.

Veterans and Dependents of Deceased or Disabled Veterans

Students desiring to enroll under the provisions of the law providing benefits to Veterans should come to the Financial Aid, Scholarship and Veterans Office. In order to comply with the requirements for certification by the Veterans Administration, student applicants must be properly enrolled in the College and meet all requirements set forth by the Veterans Administration for each of the various programs. Veterans under subsidy must have all transcripts on file in the College Veterans Office.

Veterans must come, in person, to the Financial Aid, Scholarship and Veterans Office to complete the Veterans paperwork and submit required documentation. The Coordinator of Veterans Benefits is available during regular office hours to answer any questions.

Regular Office Hours:
- Monday & Tuesday: 8:00 a.m.–4:00 p.m.
- Wednesday & Thursday: 8:00 a.m.–6:00 p.m.
- Friday: 8:00 a.m.–2:00 p.m.
- Student Services Building—(818) 710-3316

Writing Lab

For students who could use one-on-one writing help from a professional English instructor in a place quiet enough to think, The Pierce College Writing Lab, in VLGE 8310, is available as a free service. Periodic group workshops are also offered on a variety of technical and composition topics. Service is open to any currently enrolled Pierce College student.

With MA degrees in English, instructors Jeanine Brown and Bonnie Rapp have the knowledge and experience to explain principles of grammar, sentence structure, organization and punctuation and to spot problems standing between students and clear, effective writing.

Computers are available for grammar tutorials as well as for word processing and internet access. One print out of each academic paper of original composition is available without charge. Native English speakers and ESL students, if they haven’t yet, should check out this service. They’ll be glad they did.

Grading Policies and Academic Standards

Grade Reports

Grade reports are not mailed to students at the end of the semester. Students may print out their semester grades from the Pierce website www.piercecollege.edu.

Attendance Regulations

Only students who have been admitted to the college and are in approved active status may attend classes.

Students should attend every meeting of all classes for which they register. To avoid being dropped from class, students should contact the instructor when they are absent for emergency reasons.

Students who are registered in a class and miss the first meeting may lose their right to a place in the class, but the instructor may consider special circumstances. Students who because of mitigating circumstances are unable to attend the first meeting should leave a message on the instructor’s telephone voice mail.

Students are expected to be in class on time and to remain for the entire class period. Medical appointments, work, job interviews, childcare responsibilities, etc. should be arranged so as not to occur during class time. Please do not make requests for exceptions.
Grading Policies & Academic Standards

Any student who has unexcused absences equaling one week's worth of class time prior to census date may be excluded. Students may drop the class on-line on or before the last day to drop. Students should never rely on the instructor to excuse them. Do not call the college offices to report absences; call the course instructor.

By the last day to add the class, students are responsible to inform the instructor of any anticipated absences due to observance of major religious holidays so that alternative arrangements may be made. Failure to do so may result in an inability to make other arrangements or a lower grade.

Grading Symbols And Definitions

Only the symbols in the grading scale given in this section shall be used to grade all courses offered in fulfillment of the requirements for an associate or baccalaureate degree, a certificate, diploma, or license.

Grades shall be averaged on the basis of the point equivalencies to determine a student's grade-point-average, using the following evaluative symbols:

<table>
<thead>
<tr>
<th>SYMBOL</th>
<th>DEFINITION</th>
<th>GRADE POINT</th>
</tr>
</thead>
<tbody>
<tr>
<td>A</td>
<td>Excellent</td>
<td>4</td>
</tr>
<tr>
<td>B</td>
<td>Good</td>
<td>3</td>
</tr>
<tr>
<td>C</td>
<td>Satisfactory</td>
<td>2</td>
</tr>
<tr>
<td>D</td>
<td>Passing, less satisfactory</td>
<td>1</td>
</tr>
<tr>
<td>F</td>
<td>Failing</td>
<td>0</td>
</tr>
<tr>
<td>P</td>
<td>Pass (formerly credit) (at least equal to a &quot;C&quot; grade or better; units awarded are not counted in GPA)</td>
<td></td>
</tr>
<tr>
<td>CX</td>
<td>Passed Credit-by-Exam (equal to an &quot;A&quot;, &quot;B&quot;, or &quot;C&quot; grade - units not counted in GPA)</td>
<td></td>
</tr>
<tr>
<td>NP</td>
<td>No-Pass (formerly no-credit) (equal to a &quot;D&quot; or &quot;F&quot; grade; units are not counted in GPA)</td>
<td></td>
</tr>
<tr>
<td>NCX</td>
<td>Failed Credit-by-Exam (equal to a &quot;D&quot; or &quot;F&quot; grade-units not counted in GPA)</td>
<td></td>
</tr>
</tbody>
</table>

The following non-evaluative symbols may be entered on a student's record:

<table>
<thead>
<tr>
<th>SYMBOL</th>
<th>DEFINITION</th>
</tr>
</thead>
<tbody>
<tr>
<td>INC</td>
<td>Incomplete</td>
</tr>
</tbody>
</table>

Incomplete academic work for unforeseeable emergency and justifiable reasons at the end of the term may result in an "INC" symbol being entered in the student's record. The condition for removal of the "INC" shall be stated by the instructor in a written record.

This record shall contain the conditions for removal of the "INC" and a default grade to be assigned if missing work is not completed within one year from the end of the course. This record shall be given to the student, by the instructor, with a copy on file in the College Admissions Office until the "INC" is made up or the one-year time limit has passed. A final grade shall be assigned with the work stipulated has been completed and evaluated, or when the one-year time limit for completing the work has passed.

The "INC" symbol shall not be used in calculating units attempted nor for grade-point-average. The "INC" symbol may be used when the student has received an incomplete "INC") may not be repeated unless the "INC" is removed and has been replaced by a grade of "D" or "F". This does not apply to courses which are repeatable for additional credit.

The following non-evaluative symbols may be applied for the term in which the required work of the course is completed. The "IP" symbol shall not be used in calculating grade-point-averages. If a student enrolled in an "open-entry, open-exit" course is assigned "IP" at the end of an attendance period and does not complete the course during the subsequent attendance period, the appropriate faculty will assign an evaluative symbol (grade) as specified above to be recorded on the student's permanent record for the course.

<table>
<thead>
<tr>
<th>SYMBOL</th>
<th>DEFINITION</th>
</tr>
</thead>
<tbody>
<tr>
<td>RD</td>
<td>Report Delayed</td>
</tr>
</tbody>
</table>

The "RD" symbol may be assigned by the registrar only. It is to be used when there is a delay in reporting the grade of a student due to circumstances beyond the control of the student. It is a temporary notation to be replaced by a permanent symbol as soon as possible. "RD" is not used in calculating grade point averages.

<table>
<thead>
<tr>
<th>SYMBOL</th>
<th>DEFINITION</th>
</tr>
</thead>
<tbody>
<tr>
<td>W</td>
<td>Withdrawal</td>
</tr>
</tbody>
</table>

Students may withdraw from a class or classes through 75% of the time the class is scheduled to meet. To withdraw, use the online system or the Pierce College website.

No notation ("W" or other) shall be made on the record of a student who withdraws by 30% of the time the class is scheduled.

Withdrawal between the end of 30% of the time the class is scheduled to meet and 75% of the time the class is scheduled to meet, will result in a grade of "W". A student who remains in class beyond 75% of the time the class is scheduled shall be given a grade other than a "W", except in cases of extenuating circumstances.

After 75% of the time the class is scheduled, the student may withdraw from class upon petition demonstrating extenuating circumstances and after consultation with the appropriate faculty. Students can download the petition online from the Admissions Website under "forms". Extenuating circumstances are verified cases of accidents, illness, or other circumstances beyond the control of the student. Withdrawal after 75% of the time the class is scheduled which has been authorized in extenuating circumstances shall be recorded as "W".

The "W" shall not be used in calculating units attempted nor for the student's grade-point-average.

"WS" will be used as factors in progress probation and dismissal.

<table>
<thead>
<tr>
<th>SYMBOL</th>
<th>DEFINITION</th>
</tr>
</thead>
<tbody>
<tr>
<td>MW</td>
<td>Military Withdrawal</td>
</tr>
</tbody>
</table>

"Military withdrawal" occurs when a student who is a member of an active or reserve United States military service receives orders compelling a withdrawal from courses. Upon verification of such orders, a "MW" may be assigned at any time after 30% of the time the class is scheduled to meet. No notation ("W" or other) shall be made on the records of a student who withdraws during the first 30% of the time the class is scheduled. Enrollment fees will be refunded with military withdrawals. Military withdrawals shall not be counted in progress probation and dismissal calculations.

Academic Probation

A student shall be placed on academic probation if, after enrolling in a minimum of 12 units, the student has a cumulative GPA of less than "C" (2.0).

Progress Probation

A student shall be placed on progress probation if, after enrolling in a minimum of 12 units, the percentage of all units in which grades of "W" (withdrawal), "INC" (Incomplete), and "NP" (no pass) reaches or exceeds 50%.

Dismissal

1. A student on academic probation may be DISMISSED from the College if the cumulative GPA is less than 2.0 in all units attempted in each of three consecutive semesters.

2. A student on progress probation may be DISMISSED from the College if the cumulative percentage of "W", "INC", and "NP" grades are 50% or greater in each of three consecutive semesters.

Dismissal from any college in Los Angeles Community College District shall then disqualify a student from admission to any other college in the district for a period of one year, after which a student may be readmitted by petition.
Scholarship Requirements

Pierce students are expected to maintain a satisfactory scholarship record, defined as a “C” (2.0) grade point average or better.

Reviewing a Grade

Students who feel a grade was issued in error or who never received a grade MUST request an instructor review within one year of the time the class ended.

Course Repetition

State law permits a student to repeat a course for the purpose of alleviating a sub-standard grade. The term “substandard” is defined as a “D,” “F,” or “NP.” A student who receives an incomplete in a course may not make up the “Inc” by repeating the course, but must make up the missing work.

“Request For Review of Student Record” petitions are available at the Admissions & Records Office. If the petition is approved and the course is repeated, the original grade will be noted as a repeated class and will not be included in the grade point average. Repeated classes are not automatically annotated on the student’s transcript. A petition is required.

Certain courses in the Class Schedule may be repeated for additional unit credit. These courses, marked “RPT” in the Course Section of the Catalog, allow the student an expanded educational experience each time the student enrolls in the course. Enrollment in these courses is limited in any activity to a maximum of three repeats for a total of four (4) enrollments, regardless of the repeatability of individual courses. The activity limitation also applies to courses which are not repeatable in themselves but for which similar activities exist. For example, there are several similar course titles in Art (Life Drawing, Sculpture), Music (Piano), Theater (Acting, Rehearsals and Performance), and Physical Education (Modern Dance, Golf) which are considered to be the same activity. A student may enroll four times in any one activity, such as twice in Theater 279, Musical Theater (RPT 3), and twice in Theater 280, Musical Theater Workshop (RPT 3). Any combination may be used as long as four enrollments in one activity is not exceeded.

New rules about the number of times you can attempt a course

Effective Summer 2012, course withdrawal ("W") or a substandard grade ("D", "F", or "NP") count as an attempt at a course. Only three attempts at any one course will be allowed, with some exceptions. Listed below are the new rules that all students need to know about.

• Students who drop or are excluded after the last day to drop without a grade of "W" will have a "W" appear on their transcript. The "W" will count as an attempt for that course.
• A course in a student’s transcript which currently shows a recorded "W" counts as an attempt for that course.
• Students will not be allowed to register for any course within the LACCD if there are three recorded attempts for that course in any combination of W, D, F, or NP grades.
• Add permits for a course within the LACCD will not be processed if there are three recorded attempts for that course in any combination of W, D, F, or NP grades.
• For courses specifically designated as “repeatable,” students may repeat up to three times. (See Title 5 California Code of Regulations sections 55040, 55041, 58161).
• Where the student’s number of enrollments in a course exceeds the allowable amount, the student may petition for an additional enrollment in cases of extenuating circumstances.

What students should do:

• Be sure you are academically ready for classes you enroll in.
• If you must drop a course, drop before the specified deadline for dropping a class without a grade of "W."
• See a counselor before making decisions that could affect your educational plan.

Academic Honors

This policy is adopted for use in the Los Angeles Community College District only. Other institutions may differ and students planning to transfer to another college should contact that institution regarding its policy.

Awards

Graduating students of outstanding personality, scholarship, and leadership are recognized through the yearly presentation of awards within the several departments of the College. Recipients of these awards are determined through department procedures.

President’s Honor List

Students who have appeared on the Full-time or Part-time Dean’s Honor List for three or more consecutive semesters will be placed on the President’s Honor List. A notation of this award will appear on the student’s transcript.

Dean’s Honor List

Each semester a list is published containing the names of students who have completed 12 or more units of graded classes (credit/no-credit and incompletes are not included) during the preceding semester with a grade-point average of 3.5 or better. Part-time students may also receive recognition through the Part-time Dean’s List, which honors students who have completed a minimum of 12 graded units at Pierce and 6 to 11 units of graded course work in the semester and have a GPA of 3.5 or better. For more details about the Part-time Dean’s List, contact the Admissions and Records Office. Further recognition is afforded Dean’s List students by means of a personal letter from the President and a notation on the transcript.

President’s Award

A perpetual trophy and scholarship have been donated by the Associated Student Organization to the College President so that one or two outstanding graduating students can be recognized. The student must have maintained a 3.0 GPA for all college work, successfully participated in co-curricular activities, demonstrated leadership, served both the College and the community, and exhibited desirable personal qualifications.

Transfer Information

The Transfer Center

The Pierce College Transfer Center has resources and services to make the transition from Pierce to a four-year college/university easier. Representatives from many public and private universities, including UCLA, CSUN, CSU Los Angeles, and UC San Diego meet regularly with prospective students to advise them regarding admissions, program planning, and other support services.

Transfer Information Websites:

As a student, the Internet is one of your most important resources for transfer information. We have workstations available to use in our center if you don’t have internet access at home. So, please stop by and let us help.

You can use the Pierce College Transfer website as a portal to transfer information for the UC’s, CSU’s, privates and out-of-state colleges and universities:

Associate Degree Requirements

Which courses transfer?

California Public Institutions: UC and CSU

Assist: As a prospective transfer student, it is important to make sure that the community college courses you take are acceptable to the university for transfer credit. Assist is California's official statewide repository of transfer information for the California State University and University of California systems.

www.assist.org

Pierce College and University of California Transfer Partnerships

Pierce has transfer admission guarantees with the following UC campuses: Davis, Irvine, Merced, Riverside, Santa Barbara, San Diego and Santa Cruz. Please see a Pierce Counselor and stop by the Transfer Center for more details. You can also find the program requirements for each campus on the Pierce College Transfer website.

Pierce College and California Private Institution Transfer Partnerships

Through the Pierce Honors Program, we have transfer agreements with some private universities. The requirements for the Honors Program at Pierce, as well as additional information, can be found on the Pierce College Transfer website or at the Honors Office.

Develop an Educational Plan

The most important action you can take to ensure success is to meet early with a Pierce counselor and develop an educational plan. This plan will include courses you need to meet transfer requirements. Using and updating an educational plan throughout your attendance at Pierce will ensure the most direct path to transfer and earning a baccalaureate degree.

The Counseling Center

Prospective transfer students are encouraged to meet with a counselor in order to develop and refine educational plans and career goals.

In addition to serving students in the Counseling Center, the counseling staff offers a number of Personal Development courses as part of the College's curriculum. These courses include skill-building activities to enhance program planning, personal and professional development, study and time management skills, and strategies for problem solving and decision-making. Please refer to the Personal Development section of Course Descriptions in this catalogue for additional information.

The Counseling Center is located on the first floor of the new Student Services Building.

General Education Agreements

The California State University and the University of California systems have developed systemwide general education agreements which enable community college transfer students to complete lower division courses that satisfy general education requirements at many CSUs and UCs.

See the CSU GE Certified Plan and IGETC on pages 144 and 145.

Associate Degree Requirements

The AA Degree Has The Following Common Requirements (Title 5 55063)

1. Unit Requirement:
   A minimum of 60 semester units in degree applicable courses.

2. General Education Requirement:
   For every major, students must complete a series of courses that make up the general education requirement of the degree.

   While a course might satisfy more than one general education requirement, it may not be counted more than once for these purposes. A course may be used to satisfy both a general education requirement and a major requirement.

3. Major Requirement:
   In addition to the general education requirements, each degree requires a major.

   Effective for students admitted to a community college for the fall 2009 term, or any term thereafter, each course counted toward the major requirement must be completed with a grade of “C” or better or a "P" if the course is taken on a "pass-no pass" basis.

   A course may be used to satisfy both a general education requirement and a major requirement.

4. Scholarship Requirement:
   A minimum “C” (2.0) cumulative grade point average in all courses used toward the degree.

5. Residency Requirement:
   A minimum of 12 of the units used toward the degree must be completed in residence at Pierce College.

6. Competency Requirement: (LACCD E-79)
   The following courses and examinations are approved to meet the competency requirement for the Associate Degree for all students entering Fall 2009 as defined in Board Rule 6201.12.

Mathematics Competency

The competency requirement in mathematics for the Associate Degree may be met by completion of one of the following:

1. Completion of one of the following courses (or its equivalent at another college) with a grade of “C” or better:
   • Mathematics 125 or any higher-level mathematics courses with a prerequisite of at least mathematics 125 or its equivalent.

   OR

   OR

3. A score of 3 or higher on one of the following AP Exams:
   • Calculus AB
   • Calculus BC
   • Statistics

4. Complete the college assessment exam in mathematics and achieve a score determined comparable to satisfactory completion of intermediate algebra (Mathematics 123C, 124 A & B, 125, or 127 & 128). That is, students who place into a mathematics course above the level of intermediate algebra have met the competency requirement.

Reading & Written Expression Competency

The competency requirement in reading and written expression for the Associate Degree may be met by completion of one of the following:

1. Completion of English 101 (or its equivalent at another college) with a grade of “C” or better.

   OR

2. A score of 3 or higher on one of the following AP Exams:
   • English Language and Composition
   • English Composition and Literature

   OR

3. Competency may be met through English 101 credit-by-exam. See Credit-by-Exam policy section of this catalog for requirements.
The requirements of the Associate degree are grouped into the following three parts:

**Part 1 - General Education (GE) PLAN**
The general education path you pick depends on whether or not you plan to transfer, and what major you are choosing. If you already know your major, you may want to do Parts 1 and 2 simultaneously.

Which plan should you choose? The choice of general education plans is listed with each major on the following pages.

**PLAN A**— General Studies general education Plan
(available with majors of 35 units or less only)
This associate-level general education plan is appropriate for students planning to obtain an associate degree, but does not necessarily prepare students to transfer and earn a baccalaureate degree.

**PLAN B**— Career and Technical general education Plan
(available with majors of 36 units or more only)
This associate-level general education plan is appropriate for students planning to obtain an associate degree, but does not necessarily prepare students to transfer and earn a baccalaureate degree.

**PLAN C**— CSU General Education Breadth Certification Plan
This baccalaureate-level general education plan fulfills the associate degree general education requirements and is accepted as fulfillment of lower-division general education requirements at all California State University campuses.

**PLAN D**— IGETC Plan (Intersegmental General Education Transfer Curriculum)
This baccalaureate-level general education plan fulfills the associate degree general education requirements and is accepted as fulfillment of lower-division general education requirements at all University of California and California State University Campuses.

**Part 2 - MAJOR**
Follow the requirements for a Major. Majors are listed in the White Insert pages.

**Part 3 - ELECTIVES**
Pick Associate degree applicable courses as needed to reach 60 units.

**TRANSFER STUDENTS:**
Completing the Associate Degree does not necessarily meet the university-admission requirements for transfer. An Associate Degree is not a requirement for transfer to either the CSU or UC campuses. Private and out-of-state colleges and universities have unique transfer requirements. However, if you would like to transfer to a university and earn an associate degree, early educational planning can make this goal achievable. You should meet with a counselor early in your studies to develop an Educational Plan that fulfills both transfer requirements and associate degree requirements.

**PROCEDURE FOR REQUESTING THE DEGREE**
You must file a petition for the degree in the Graduation Office. Please check the Schedule of Classes for deadlines. If you have completed coursework at other schools that you believe meets some of your degree requirements, you may petition for course substitution. Petitions are available in the Graduation Office. Please consult a counselor for guidance.

Degrees & Certificates

Degree and Certificate Programs

Associate of Arts (AA) or Associate of Science (AS)

Pierce offers a wide variety of programs that are listed on the following pages. Please refer to the previous section, Associate Degree Requirements for a description of our degree options. Students should consult with a counselor to ensure that they are completing the coursework that best meets their educational goal.

Certificate of Achievement (C)

Pierce offers many state approved certificate programs that give students training in specific job skills. A grade of C or better is required in each course and at least 50% of the units required for the certificate must be completed in residence at Pierce College. In addition, students may request certificate of achievements in The CSU GE Breadth Certification general education plan or the Intersegmental General Education Transfer Curriculum (IGETC).

Department Skill Certificate (SC)

Department Skills Certificates document a student’s achievement of specific skills or coursework within a discipline. These certificates require fewer than 18 units of coursework. A grade of C or better is required in each course. At least 50% of the units required for the certificate must be completed in residence at Pierce College. These local department skills certificates do not go through state approval processes and will not appear on the students’ official transcripts. See individual department office for details.

### Student Responsibility

The suggested sequence of courses in each program is the most desirable to follow; but the order may be changed, if necessary, as long as prerequisites are met. It is the student’s responsibility to meet course prerequisites and graduation requirements.

The general education and physical education requirements for the Associate Degrees are listed in the “Associate Degree Requirements” section of this catalog.

### Associate Degree Requirements and Procedures

Refer to Page 142 for Associate Degree requirements and procedure for requesting a degree.

### Transfer Students

Completing the Associate Degree does not necessarily meet the university-admission requirements for transfer. An Associate Degree is not a requirement for transfer to either the CSU or UC campuses. Private and out-of-state colleges and universities have unique transfer requirements. However, if you would like to transfer to a university and earn an associate degree, early educational planning can make this goal achievable. You should meet with a counselor early in your studies to develop an Educational Plan that fulfills both transfer requirements and associate degree requirements.

See page 141 of this schedule for more information on transfer requirements and resources.
Standards of Student Conduct

These Standards of Student Conduct and Disciplinary Action for violation of rules were established by the Board of Trustees of the Los Angeles Community College District.

A student enrolling in one of the Los Angeles Community Colleges may rightfully expect that the faculty and administrators of the colleges will maintain an environment in which there is freedom to learn. This requires that there be appropriate conditions and opportunities in the classroom and on the campus. As members of the college community, students should be encouraged to develop the capacity for critical judgment; to engage in a sustained and independent search for truth; and to exercise their rights to free inquiry and free speech in a responsible, non-violent manner. In furtherance of the student’s interest in free inquiry and the search for the truth, it is also important that students be able to hear the views of non-students and engage in the free exchange of ideas with non-students.

All persons shall respect and obey civil and criminal law, and shall be subject to legal penalties for violation of laws of the city, county, state, and nation. All persons shall respect and obey the rules, regulations, and policies of the Los Angeles Community College District.

Conduct in all of the Los Angeles Community Colleges must conform to District and college rules and regulations. Violations of such rules and regulations may result in disciplinary action depending on the individual’s status as student, faculty, staff or visitor. Violations of such rules and regulations include but are not limited to the following:

1. Willful Disobedience Willful disobedience to directions of college officials acting in the performance of their duties.
2. Violation of College Rules and Regulations Violation of college rules and regulations, including those concerning student organizations, the use of college facilities, or the time, place and manner of public expression or distribution of materials.
3. Dishonesty Dishonesty, such as cheating or knowingly furnishing false information to the colleges.
4. Unauthorized Entry Unauthorized entry to or use of the college facilities.
5. College Documents Forgery, alteration or misuse of college documents, records or identification.
6. Disruption of Classes or College Activities Obstruction or disruption of classes, administration, disciplinary procedures or authorized college activities.
7. Theft of or Damage to Property Theft of or damage to property belonging to the college, a member of the college community or a campus visitor.
8. Interference with Peace of College The malicious or willful disturbance of the peace or quiet of any of the Los Angeles Community Colleges by loud or unusual noise or any threat, challenge to fight, flight, or violation of any rules of conduct as set forth in this Article. Any person whose conduct violates this section shall be considered to have interfered with the peaceful conduct of the activities of the college where such acts are committed.
9. Assault or Battery Assault or battery, abuse or any threat of force or violence directed toward any member of the college community or campus visitor engaged in authorized activities.
10. Alcohol and Drugs Any possession of controlled substances which would constitute a violation of Health and Safety Code section 11350 or Business and Professions Code section 4230, any use of controlled substances the possession or use of alcoholic beverages while on any property owned or used by the District or colleges of the District or while participating in any District or college-sponsored function or field trip. “Controlled substances,” as used in this section, include but are not limited to the following drugs and narcotics:
   a) opiates, opium and opium derivates
   b) mescaline
   c) hallucinogenic substances
   d) peyote
   e) marijuana
   f) stimulants and depressants
   g) cocaine
11. Lethal Weapons Possession, while on a college campus or at a college-sponsored function, of any object that might be used as a lethal weapon is forbidden all persons except sworn employees charged with policing responsibilities.
12. Discriminatory Behavior Behavior while on a college campus or at a college-sponsored function, inconsistent with the District’s non-discrimination policy, which requires that all programs and activities of the Los Angeles Community College District be operated in a manner which is free of discrimination on the basis of race, color, national origin, ancestry, religion, creed, sex (including gender-based sexual harassment), pregnancy, marital status, sexual orientation, age, handicap or veterans status.
13. Unlawful Assembly Any assemblage of two or more persons to 1) do an unlawful act, or 2) do a lawful act in a violent, boisterous or tumultuous manner.
14. Conspiring to Perform Illegal Acts Any agreement between two or more persons to perform illegal acts.
15. Threatening Behavior A direct or implied expression of intent to inflict physical or mental/emotional harm and/or actions, such as stalking, which a reasonable person would perceive as a threat to personal safety or property. Threats may include verbal statement, written statements, telephone threats or physical threats.
16. Disorderly Conduct Conduct which may be considered disorderly includes: lewd or indecent attire or behavior that disrupts classes or college activities; breach of the peace of the college; aiding, or inciting another person to breach the peace of the college premises or functions.
17. Theft or Abuse of Computer Resources Theft or abuse of computer resources including but not limited to:
   a) Unauthorized entry into a file to use, read, or change its contents, or for any other purpose.
   b) Unauthorized transfer of a file.
   c) Unauthorized use of another individual’s identification and password.
   d) Use of computing facilities to interfere with the work of a student faculty member or college official, or to alter college or district records.
   e) Use of unlicensed software.
   f) Unauthorized copying of software.
   g) Use of computing facilities to access, send or engage in messages which are obscene, threatening, defamatory, present a clear and present danger, violate a lawful regulation and/or substantially disrupt the orderly operation of a college campus.
   h) Use of computing facilities to interfere with the regular operation of the college or district computing system.
18. Performance of an Illegal Act Conduct while present on a college campus or at a location operated and/or controlled by the District or at a District-sponsored event, which is prohibited by local, State, or federal law.
19. Interference With Classes Every person who, by physical force, willfully obstructs, or attempts to obstruct, any student or teacher seeking to attend or instruct classes at any of the campuses or facilities owned, controlled or administered by the Board of Trustees of the Los Angeles Community College District, is punishable by a fine not exceeding five hundred dollars ($500) or imprisonment in a county jail not exceeding one year, or by both such fine and imprisonment. As used in this section, “physical force” includes, but is not limited to, use of one’s person, individually or in concert with others, to impede access to or movement within or otherwise to obstruct the students or teachers of the classes to which the premises are devoted.
21. **Assault or Abuse of Instructor** Every parent, guardian, or other person who assaults or abuses any instructor employed by the District in the presence or hearing of a community college student or in the presence of other community college personnel or students and at a place which is on District premises or public sidewalks, streets, or other public ways adjacent to school premises, or at some other place where the instructor is required to be in connection with assigned college activities is guilty of a misdemeanor.

22. **Unsafe Conduct** Conduct which poses a threat of harm to the individual and/or to others. This includes, but is not limited to, the following types of conduct:

   a) Unsafe conduct in connection with a Health Services Program (e.g., Nursing, Dental Hygiene, etc.);
   b) Failure to follow safety directions of District and/or College staff;
   c) Willful disregard of safety rules adopted by the District and/or College; and/or
   d) Negligent behavior which creates an unsafe environment.

**Disciplinary Action**

Violation of the above Board Rule shall result in student discipline, imposed in accordance with the Student Discipline Procedures as stated in Board Rule 91101. Discipline options include: warning, reprimand, restitution, disciplinary probation, removal by instructor, immediate suspension, suspension, suspension subject to reconsideration, suspension of financial aid, expulsion. Furthermore, institutional policies and practices may impose disciplinary sanctions on students and employees consistent with local, state, and federal law, up to and including expulsion, termination of employment, and referral for prosecution for violations of the standard of conduct.

**Student Academic Integrity Policy Statement**

The faculty and administration of Los Angeles Pierce College are committed to the belief that honesty and integrity are integral components of the academic process. The College expects students to be honest and ethical at all times in their pursuit of academic goals. Students who violate the code of academic conduct by which the College maintains its academic integrity will be dealt with in a manner reflecting the seriousness of these violations.

I. **Violations of Academic Honesty and Integrity** occur when a student participates in any act in which he/she uses deception or fraud while performing an academic activity. Violations include, but are not limited to, the following:

   - Using study aids such as calculators, tape recorders or notes, when not authorized by the instructor.
   - Cheating on examinations, assignments or experiments (allowing another student to copy one’s answers or copying the answers of other students; exchanging information by any means, including verbal exchanges, sign language, hand signals, secret codes, passed notes, creation of a distraction for the purpose of cheating; changing answers on a previously scored test, assignment or experiment; inventing information and/or data.)
   - Allowing another student to assume one’s identity in order to fulfill an assignment or take a test.
   - Submitting for a grade the words, ideas, and/or written work (including laboratory notes and drawings) of another person without giving due credit to that person. This includes purchased papers or papers written by other students.
   - Falsifying or attempting to falsify attendance records and/or grade rosters.
   - Conspiring with other students to commit any of the above behaviors.

II. **Consequences for any offense against academic honesty and integrity** may include:

   - An “F” or a “O” on the examination or assignment.
   - Suspension from the class, and other sanctions and/or penalties authorized by the Board of Trustees for violations of the District’s Student Code of Conduct.
   - Record of the student’s violation placed in the student’s disciplinary file.

III. **Student’s Right to Appeal**

Students have the right to appeal disciplinary actions through the Board of Trustees Discipline procedures. A final grade may be contested through the student grievance procedure.

IV. **Reporting a Violation**

When an alleged incident of academic dishonesty occurs, it is recommended that a faculty member take the following steps to report the incident:

1. Inform the student and the department chair of the nature of the alleged violation and the impending course of action.
2. Complete the Academic Dishonesty Report Form and submit it, along with any related evidence, to the Vice President of Student Services. The student should also receive a copy of the form from the instructor within ten (10) working days of the incident.
3. The Vice President of Student Services will forward information about the incident to the Department Chair and the appropriate Dean of Academic Affairs.
4. The Vice President of Student Services or designee will investigate the allegations and recommend any appropriate disciplinary actions.

V. **Faculty Responsibilities**

In order to maintain an environment free of academic dishonesty, the following recommendations are made to the faculty regarding their responsibility to uphold academic integrity:

   - Make every attempt to conduct their classroom in a manner which encourages honorable behavior and learning, to ensure student success and discourage academic dishonesty.
   - Inform students of the course requirements, grading procedures and expectations of responsible academic conduct.
   - Inform students of the College policy on Academic Integrity and the potential consequences for violations of this policy.
   - Inform students of their right to due process should they wish to contest the cheating allegation.

**Penalties for Copyright Infringement and Illegal File Sharing**

Unauthorized distribution of copyrighted material, including unauthorized peer-to-peer file sharing, may subject students to civil and criminal liability. Civil liability for copyright infringement may include payment of monetary damages to the copyright owner. Criminal penalties for copyright infringement may include fines up to $250,000 and imprisonment up to ten years. Students who violate the District’s computing facilities usage policy (LACCD Administrative Regulation B-28) may also be subject to college disciplinary action, including, but not limited to, suspension or expulsion.
Student Grievances

The student grievance procedure is designed to provide a prompt and equitable means for resolving student grievances, including but not limited to the grading process. The grievance procedure may be initiated by a student or group of students who reasonably believe that they have been subject to unjust action or denied rights that adversely affect their status, rights, or privileges as a student. To initiate a student grievance, please contact the Office of College Compliance at (818) 710-2508 or e-mail at compliance@piercecollege.edu.

GRADING POLICY

Although the grievance procedures are established to enable a student to challenge a particular grade, students are advised of section 76224 of the California Education Code which provides: “When grades are given for any course of instruction taught in a community college district, the grade given to each student shall be the grade determined by the instructor of the course and the determination of the student’s grade by the instructor, in the absence of mistake, fraud, bad faith, or incompetency, shall be final.”

OTHER COMPLAINTS

Please also note that the student grievance procedure does not apply to the following.

a. Challenge process for prerequisites, corequisites, advisories and limitations on enrollment. Information on challenges to prerequisites is available from the Office of Academic Affairs.

b. Alleged violations of sexual harassment, actions dealing with alleged discrimination on the basis of ethnic group identification, religion, age, sex, color, sexual orientation, physical or mental disability. These complaints are handled through the Compliance Office.

c. An appeal for residency determination. Residency appeals should be filed with the Admissions and Records Office.

d. Eligibility, disqualification or reinstatement of financial aid. Procedures for eligibility, disqualification or reinstatement of Financial Aid may be obtained in the Financial Aid Office.

e. Student Discipline: Actions dealing with student discipline are handled through the Office of Student Services.

f. Freedom of the Press: Issues pertaining to freedom of press and journalism are addressed in Administrative Regulation E-63 and Board Rules 9703 and 9704.

g. Employee Discipline. Students may file complaints about employee conduct with the appropriate administrator (see Board Rule 10101 – Unsolicited Written Derogatory Communications).

h. Challenges of established District policies, e.g. Board Rules and Administrative Regulations. Grievances regarding District policy, which are beyond the authority of a college president, shall be referred to the Chancellor or Chancellor’s designee for appropriate handling and response.

i. Financial claims against the District. Financial claims need to be made through the District’s Office of General Counsel.

Information about other procedures is listed in the schedule of classes and college catalogs or may be obtained from the Student Service Office.

Most complaints, grievances or disciplinary matters should be resolved at the campus level, before escalating issues to other resources. Please follow the link below for more information at the California Community Colleges Chancellor’s Office:

http://californiacommunitycolleges.cccco.edu/complaintsform.aspx

INFORMAL RESOLUTION

All parties involved in a potential grievance are encouraged to seek an informal remedy.

The recommended steps for students to follow are:

- meeting directly with the faculty member(s) with whom the student has a problem
- meeting with the department chair of the faculty member(s)
- meeting with the department’s Dean of Academic Affairs
- meeting with the College Ombudsperson. The Ombudsperson will provide students with information about the formal grievance hearing process and their rights and responsibilities in this process.

FORMAL RESOLUTION

Students unable to resolve their grievance through the informal process may file a “Formal Grievance Hearing Request Form” with the College Ombudsperson. The Ombudsperson will provide students with information about the formal grievance hearing process and their rights and responsibilities in this process.

RIGHT TO STUDENT ADVOCATE

Students pursuing a formal grievance have the right to be represented by a Student Advocate who will assist students in the formal grievance process.

Smoking Policy

Pierce College does not allow smoking in the core campus. Smoking is not permitted in any classroom or other enclosed facility. Smoking is permitted in designated areas only which are located on the campus perimeter. Refer to campus signage.

Drug-Free Campus

The Los Angeles Community College District is committed to a drug-free and alcohol-free campuses. Students and employees are prohibited from unlawfully possessing, using or distributing illicit drugs and alcohol on District premises, in District vehicles, or as part of any activity of the District or colleges of the District.

- LACCD Board Rule 9803.19 states:

  Alcohol and Drugs. Any possession of controlled substances which would constitute a violation of Health and Safety Code section 11350 or Business and Professions Code section 4230, any use of controlled substances the possession of which are prohibited by the same, or any possession or use of alcoholic beverages while on any property owned or used by the District or colleges of the District or while participating in any District or college-sponsored function or field trip. “Controlled substances,” as used in this section, include but are not limited to the following drugs and narcotics:

  a) opiates, opium and opium derivatives
  b) mescaline
  c) hallucinogenic substances
  d) peyote
  e) marijuana
  f) stimulants and depressants
  g) cocaine

- Legal and disciplinary sanctions

Federal and state laws regarding alcohol and illicit drugs allow for fines and/or imprisonment. Other legal problems include the loss of one’s driver’s license and limitations of career choices. A summary of federal penalties for drug related offenses is available at: www.usdoj.gov/dea/agency/penalties.pdf

In addition to criminal prosecution, violators are also subject to disciplinary action by the college. Student discipline actions may include the following; warning, reprimand, disciplinary probation, suspension, and/or expulsion.
Health risks
Health risks associated with the abuse of controlled substances include malnutrition, damage to various organs, hangovers, blackouts, general fatigue, impaired learning, dependency, disability and death. Both drugs and alcohol may be damaging to the development of an unborn fetus. Personal problems include diminished self-esteem, depression, alienation from reality, and suicide. Social problems include alienation from and abuse of family members, chronic conflict with authority, and loss of friends, academic standing, and/or co- and extra-curricular opportunities. A summary chart of various drugs and their effects is available at: www.usdoj.gov/dea/pubs/abuse/chart.htm

WEEKEND CLASSES
Classes that meet only on Saturday or Sunday will have their final exam at their normal class time on June 2 or 3, respectively.

FOR CLASS TIMES NOT LISTED OR IN CASE OF CONFLICTS – PLEASE SEE INSTRUCTOR.
Instructors may need to consult with their Department Chair and Area Dean to determine final exam times for classes with start times that do not coincide with the standard time blocks listed above.

Accreditation
Pierce College is accredited by the Accrediting Commission for Community and Junior Colleges of the Western Association of Schools and Colleges, (10 Commercial Boulevard, Suite 204, Novato, CA 94949 (415) 506-0234), an institutional accrediting body recognized by the Commission on Recognition of Postsecondary Accreditation and the U.S. Department of Education.

Limited English Proficiency
Educational classes, including occupational classes, are open to all students. Although the lack of proficiency in English is no barrier to enrollment, it is suggested that students utilize the services of the college that are provided for persons who are limited in English proficiency or have English as a second language. Please note, students must meet prerequisites indicated for courses.

Nondiscrimination Policy
All programs and activities of the Los Angeles Community College District shall be operated in a manner which is free of discrimination on the basis of race, color, national origin, ancestry, religion, creed, sex, pregnancy, marital status, medical condition (cancer related), sexual orientation, age, disability or veteran’s status (Reference: Board Rule 15001 et seq).
ONLINE REGISTRATION

1) Go to www.piercecollege.edu. Registration is available Monday through Sunday, 7 a.m. to 12 midnight. (Except holidays)

2) Click on “Class Registration.”

3) The STUDENT INFORMATION SYSTEM page will appear. Click on log on button at bottom of screen. Read instructions on new page.

4) Click on HOW TO USE THIS SYSTEM and read instructions. Click close when finished.

5) Click on STUDENT INFORMATION SYSTEM, read instructions and proceed.

6) Enter your student ID number and 4-digit PIN.

7) Click on REGISTRATION.

8) Select PIERCE COLLEGE.

9) Select the SPRING 2012 semester.

10) Select ADD to register into classes.

Enter the four-digit section number for the class you wish to add. The section number is located to the left of the class meeting time in the Schedule of Classes. Click submit.

- WAITING LISTS: Please note that some departments utilize a wait list system to prioritize the way students can be added to a class that has become closed due to the enrollment reaching the limit (the class stays closed even if students drop the class). In this situation, a wait-listed student will need to attend the first session of a class in order to get a signed add card from the instructor if there is room in the class for the student to be added. Other departments do not utilize a wait list system. In this case, the system allows students to enroll in a course through the online registration portal, on a first-come first-served basis, the moment a seat becomes available in the course due to a student dropping out. This option, however, is only available until the day before the class begins. After that, interested students will need to attend the first day of class and the instructor will give them a signed add card should there be room in the class to add the student.

- CONFIRMATION NUMBERS: Write down and keep the confirmation numbers given for each transaction. When you have finished adding, return to the menu and select View Schedule. Print this page as a record of your transactions.
11) **PAY FEES**: You may pay online with a VISA, Mastercard, or Discover credit card. Click on View & Pay Fees to pay now with your credit card.

- **Other payment options**: If you are not paying by credit card, you may pay in person in the Business Office (Hours 8:00 a.m. -7:30 p.m. Monday through Thursday and 8:00 a.m. to 4:00 p.m. Friday). You may also pay by mail to:

  Pierce College Business Office  
  6201 Winnetka Ave.  
  Woodland Hills, CA 91371

Send a personal check or money order. **Do not send cash.** Print your college ID number on the face of your check. You must pick up your Registration/Fee Receipt and parking permit on campus at the Business Office. Picture ID cards will be issued to new students at Copy Tech upon presentation of your Registration/ Fee Receipt and a picture ID such as a Driver’s License or Passport. The Pierce picture ID card is required for use of the Library and all campus computer labs.

California Nonresident Tuition Exemption
For Eligible California High School Graduates
(The law passed by the Legislature in 2001 as “AB 540”)

GENERAL INFORMATION

Any student, other than a nonimmigrant alien, who meets all of the following requirements, shall be exempt from paying nonresident tuition at the California Community Colleges, the University of California, and the California State University (all public colleges and universities in California).

- Requirements:
  - The student must have attended a high school (public or private) in California for three or more years.
  - The student must have graduated from a California high school or attained the equivalent prior to the start of the term (for example, passing the GED or California High School Proficiency exam).
  - An alien student who is without lawful immigration status must file an affidavit with the college or university stating that he or she has filed an application to legalize his or her immigration status, or will file an application as soon as he or she is eligible to do so.

- Students who are nonimmigrants [for example, those who hold F (student) visas, B (visitor) visas, etc.] are not eligible for this exemption.

- The student must file an exemption request including a signed affidavit with the college that indicates the student has met all applicable conditions described above. Student information obtained in this process is strictly confidential unless disclosure is required under law.

- Students eligible for this exemption who are transferring to another California public college or university must submit a new request (and documentation if required) to each college under consideration.

- Nonresident students meeting the criteria will be exempted from the payment of nonresident tuition, but they will not be classified as California residents. They continue to be “nonresidents.”

- AB540 does not provide student financial aid eligibility for undocumented alien students. These students remain ineligible for state and federal financial aid.

PROCEDURES FOR REQUESTING THIS EXEMPTION FROM NONRESIDENT TUITION

California Community Colleges: Complete the form on the reverse. Submit it to the Admissions Office at the community college where you are enrolled or intend to enroll. You may be required to submit additional documentation. Call the college Admissions Office if you have questions.

University of California: The University of California (UC) system has its own nonresident tuition exemption application and affidavit form, but it will accept the exemption request form used by the California Community Colleges and the California State University. Your campus has established deadlines for submission of exemption requests; however, requests are not to be submitted until you have been admitted to a UC campus. Some students, such as transfer, graduate, and professional students, also must submit their official high school transcripts; check your campus for specific instructions. Once you are determined to be eligible for the exemption, you will continue to receive it as long as you fulfill the eligibility requirements or until the University no longer offers this exemption. The exemption covers the Nonresident Tuition Fee and the Educational Fee differential charged to nonresident students. Applying for the exemption does not alter your responsibility to pay by the campus deadline any nonresident tuition and associated fees that may be due before your eligibility is determined. For general information, visit the following website: www.ucop.edu/sas/sfs/ppolicies/ab540faqs.htm. For campus-specific instructions regarding documentation and deadline dates, contact the campus Office of the Registrar.

California State University: Complete the form on the reverse. Contact the Office of Admissions and Records at the CSU campus where you are enrolled or intend to enroll for instructions on submission, deadline information, and additional requirements. You will be required to submit final high school transcripts and appropriate records of high school graduation or the equivalent, if you have not done so already. Call the Office of Admissions and Records at the campus if you have questions.
California Nonresident Tuition Exemption Request
For Eligible California High School Graduates

Note: This form is accepted by all California Community Colleges and all Universities in both the University of California and California State University systems.

Complete and sign this form to request an exemption from Nonresident Tuition. You must submit any documentation required by the College or University (for example, proof of high school attendance in California). Contact the California Community College, University of California, or California State University campus where you intend to enroll (or are enrolled) for instructions on documentation, additional procedures and applicable deadlines.

ELIGIBILITY:
I, the undersigned, am applying for a California Nonresident Tuition Exemption for eligible California high school graduates at (specify the college or university) ___________________________________ and I declare the following:

Check YES or NO boxes:

☐ Yes ☐ No I have graduated from a California high school or have attained the equivalent thereof, such as a High School Equivalency Certificate, issued by the California State GED Office or a Certificate of Proficiency, resulting from the California High School Proficiency Examination.

☐ Yes ☐ No I have attended high school in California for three or more years.

Provide information on all school(s) you attended in grades 9 - 12:

Documentation of high school attendance and graduation (or its equivalent) is required by the University of California, the California State University and some California Community Colleges. Follow campus instructions.

Check the box that applies to you -- check only one box:

☐ I am a nonimmigrant alien as defined by federal law. [Nonimmigrant aliens have been admitted to the United States temporarily and include, but are not limited to, foreign students (persons holding F visas) and exchange visitors (persons holding J visas).]

OR

☐ I am NOT a nonimmigrant alien. [U.S. citizens, permanent residents, or aliens without lawful immigration status, among others, should check this box.]

AFFIDAVIT:
I, the undersigned, declare under penalty of perjury under the laws of the State of California that the information I have provided on this form is true and accurate. I understand that this information will be used to determine my eligibility for the nonresident tuition exemption for eligible California high school graduates. I hereby declare that, if I am an alien without lawful immigration status, I have filed an application to legalize my immigration status or will file an application as soon as I am eligible to do so. I further understand that if any of the above information is untrue, I will be liable for payment of all nonresident charges from which I was exempted and may be subject to disciplinary action by the College or University.

FINANCIAL AID APPLICATION

NEED ASSISTANCE WITH YOUR ENROLLMENT FEES, BOOKS AND OTHER EXPENSES?

Step 1: Complete the 2011-2012 Free Application for Federal Student Aid (FAFSA) on-line at www.fafsa.ed.gov Once the FAFSA is processed, the applicant will receive an email, if an email address was provided on the FAFSA, from the federal processor to view the Student Aid Report (SAR). If an email address was not provided on the FAFSA, the applicant will receive the SAR via mail. Please make sure you include Pierce College’s federal school code (001226) on the FAFSA.

Step 2: The FAFSA application will be sent electronically to Pierce College once it has been processed by the federal processor. All financial aid applicants must complete On-Line forms by following these steps:

- Logon to the Student Information System (SIS).
- Sign in using your Student ID and password.
- From the Main Menu, click on “OnLine Forms”.
- Choose “Pierce” in the college drop down.
- Complete both the Educational Goal AND Authorization of Charges pages.
- Failure to complete these online forms will delay processing of financial aid.

In addition to completing the On-Line forms, students may receive an email (if provided on the FAFSA) or mail if additional documents are required such as Tax Returns. Students will also be mailed the myLACCDcard to the address on file with Admissions & Records. The myLACCDcard is the key for unlocking your disbursement preference. Once the myLACCDcard has been received, students must follow the instructions to choose one of the two disbursement preferences: 1) activate the myLACCDcard by opening up a free checking account with Higher One, or 2) direct deposit to a bank account of your choice.

PRIORITY DEADLINES:

- March 2nd - Deadline for filing the FAFSA for PRIORITY financial aid consideration for FSEOG and FWS funds. Your GPA Verification Form must be filed with the California Student Aid Commission by March 2nd in order to be considered for State aid programs.
- April 2nd - Deadline for the submissions of all requested documents for priority funding financial aid programs.
- May 1st - Deadline for the submission of all requested documents for students planning to receive a financial aid disbursement during the first week of the Fall semester.

Applicants who have been selected for Verification by the federal processor must submit the following additional documents:

Dependent applicants:
- A signed and dated copy of the applicant’s 2010 Federal Tax Return
- A signed and dated copy of the parent’s 2010 Federal Tax Return
- 2011-2012 Dependent Federal Verification Worksheet

Independent applicants:
- A signed and dated copy of the applicant’s 2010 Federal Tax Return
- 2011-2012 Independent Federal Verification Worksheet
Step 3: The Financial Aid Office reviews all applications for eligibility for federal funds and automatically processes a fee waiver for students who meet the eligibility criteria for the Board of Governors Fee Waiver.

Step 4: The Financial Aid Office processes and delivers Award Offer Letters to eligible students. If an email address has been provided on the FAFSA, students will receive an email notification to view the Award Offer Letter on the Student Information System.

Step 5: If the Award Offer Letter includes Federal Work-Study, the student is required to attend a Work-Study Job Fair during summer. More information will be sent to eligible students.

Step 6: Disbursement/Refunds of financial aid occurs after all eligibility criteria have been verified.

Step 7: Students who are interested in applying for federal student loan must contact the Financial Aid Office for a Loan Request Packet. All new borrowers at Pierce College are required to complete an Entrance Loan Counseling. Federal Student Loan applications will be given only to students with Award Offer Letters.

LATE APPLICANTS: To expedite the processing of a fee waiver, please complete the 2011-2012 Board of Governors Fee Waiver Application located on the next page and submit the completed form to the Financial Aid, Scholarships and Veterans Department in the College Services Building. Please be sure to submit a FAFSA application as soon as possible.

Pierce College offers the following financial aid programs to eligible students:

PIERCE COLLEGE FEDERAL SCHOOL CODE: 001226
California Community Colleges 2011-2012 Board of Governors Fee Waiver Application

This is an application to have your ENROLLMENT FEES WAIVED. This FEE WAIVER is for California residents only. If you need money to help with books, supplies, food, rent, transportation and other costs, please complete a FREE APPLICATION FOR FEDERAL STUDENT AID (FAFSA) immediately. Contact the Financial Aid Office for more information. The FAFSA is available at www.fafsa.ed.gov or at the Financial Aid Office.

Note: Students who are exempt from paying nonresident tuition under Education Code Section 68130.5 (AB 540) are NOT California residents. If you are NOT a California resident, you are not eligible for a fee waiver. Do not complete this application. You may apply for financial aid by completing the FAFSA.

Has the Admissions or Registrar's Office determined that you are a California resident?  □ Yes  □ No

IMPLEMENTATION OF THE CALIFORNIA DOMESTIC PARTNER RIGHTS AND RESPONSIBILITIES ACT

The California Domestic Partner Rights and Responsibilities Act extends new rights, benefits, responsibilities and obligations to individuals in domestic partnerships registered with the California Secretary of State under Section 297 of the Family Code. If you are in a Registered Domestic Partnership (RDP), you will be treated as an Independent married student to determine eligibility for this Enrollment Fee Waiver and will need to provide income and household information for your domestic partner. If you are a dependent student and your parent is in a Registered Domestic Partnership, you will be treated the same as a student with married parents and income and household information will be required for the parent’s domestic partner.

Note: These provisions apply to state student financial aid ONLY, and not to federal student financial aid.

Are you or your parent in a Registered Domestic Partnership with the California Secretary of State under Section 297 of the Family Code? (Answer “Yes” if you or your parent are separated from a Registered Domestic Partner but have NOT FILED a Notice of Termination of Domestic Partnership with the California Secretary of State’s Office.)  □ Yes  □ No

If you answered “Yes” to the question above treat the Registered Domestic Partner as a spouse. You are required to include your domestic partner’s income and household information or your parent’s domestic partner’s income and household information in Questions 4, 11, 12, 13, 14, 15, 16, 17.

Student Marital Status:  □ Single  □ Married  □ Divorced  □ Separated  □ Widowed  □ Registered Domestic Partnership

DEPENDENCY STATUS

The questions below will determine whether you are considered a Dependent student or Independent student for fee waiver eligibility and whether parental information is needed. If you answer “Yes” to ANY of the questions 1-10 below, you will be considered an INDEPENDENT student. If you answer “No” to all questions, you will be considered a Dependent student thereby reporting parental information and should continue with Question 11.

1. Were you born before January 1, 1988?  (If “Yes,” skip to question 13)  □ Yes  □ No

2. As of today, are you married or in a Registered Domestic Partnership (RDP)?
   (Answer “Yes” if you are separated but not divorced or have not filed a termination notice to dissolve partnership. If you answer “Yes,” skip to question 13.)  □ Yes  □ No

3. Are you a veteran of the U.S. Armed Forces or currently serving on active duty for purposes other than training?  (If “Yes,” skip to question 13)  □ Yes  □ No

4. Do you have children who will receive more than half of their support from you between July 1, 2011-June 30, 2012, or other dependents who live with you (other than your children or spouse/RDP) who receive more than half of their support from you, now and through June 30, 2012?  (If “Yes,” skip to question 13)  □ Yes  □ No

5. At any time since you turned age 13, were both your parents deceased, were you in foster care, or were you a dependent or ward of the court?  (If “Yes,” skip to question 13)  □ Yes  □ No

6. Are you or were you an emancipated minor as determined by a court in your state of legal residence?  (If “Yes,” skip to question 13)  □ Yes  □ No
DEPENDENCY STATUS (Continued)

7. Are you or were you in legal guardianship as determined by a court in your state of legal residence?  
   (If “Yes,” skip to question 13)  
   □ Yes □ No

8. At any time on or after July 1, 2010, did your high school or school district homeless liaison determine that you were an unaccompanied youth who was homeless?  
   (If “Yes,” skip to question 13)  
   □ Yes □ No

9. At any time on or after July 1, 2010, did the director of an emergency shelter or transitional housing program funded by the U.S. Department of Housing and Urban Development determine that you were an unaccompanied youth who was homeless?  
   (If “Yes,” skip to question 13)  
   □ Yes □ No

10. At any time on or after July 1, 2010, did the director of a runaway or homeless youth basic center or transitional living program determine that you were an unaccompanied youth who was homeless or were self-supporting and at risk of being homeless?  
    (If “Yes,” skip to question 13)  
    □ Yes □ No

- If you answered "Yes" to any of the questions 1 - 10, you are considered an INDEPENDENT student for enrollment fee waiver purposes and must provide income and household information about yourself (and your spouse or RDP if applicable). Skip to Question #13.

- If you answered "No" to all questions 1 - 10, complete the following questions:

11. If your parent(s) or his/her RDP filed or will file a 2010 U.S. Income Tax Return, were you, or will you be claimed on their tax return as an exemption by either or both of your parents?  
    □ Will Not File □ Yes □ No

12. Do you live with one or both of your parent(s) and/or his/her RDP?  
    □ Yes □ No

- If you answered "No" to questions 1 - 10 and "Yes" to either question 11 or 12, you must provide income and household information about your PARENT(S)/RDP. Please answer questions for a DEPENDENT student in the sections that follow.

- If you answered "No" or "Parent(s) will not file" to question 11, and "No" to question 12, you are a dependent student for all student aid except this enrollment fee waiver. You may answer questions as an INDEPENDENT student on the rest of this application, but please try to get your PARENT information and file a FAFSA so you may be considered for other student aid. You cannot get other student aid without your parent(s’) information.

METHOD A ENROLLMENT FEE WAIVER

13. Are you (the student ONLY) currently receiving monthly cash assistance for yourself or any dependents from:  
    TANF/CalWORKs?  
    □ Yes □ No  
    SSI/SSP (Supplemental Security Income/State Supplemental Program)?  
    □ Yes □ No  
    General Assistance?  
    □ Yes □ No

14. If you are a dependent student, are your parent(s)/RDP receiving monthly cash assistance from TANF/CalWORKs or SSI/SSP as a primary source of income?  
    □ Yes □ No

- If you answered "Yes" to question 13 or 14 you are eligible for an ENROLLMENT FEE WAIVER. Sign the Certification at the end of this form. You are required to show current proof of benefits. Complete a FAFSA to be eligible for other financial aid opportunities.
## Method B Enrollment Fee Waiver
